APRIL HUSTLER

# BITES and PUNCHES

## ASSHOLE OF THE MONTH

The feculent stream of influence from April 1990's Asshole of the Month, Charles H. Keating Jr., has been characterized as: "An open sewer that has polluted the political process and corrupted government." That cloacal metaphor spewed not from the pen of a shit-fixated HUSTLER editorialist but from the mouth of Edwin Gray, former head of the Federal Home Loan Bank Board.

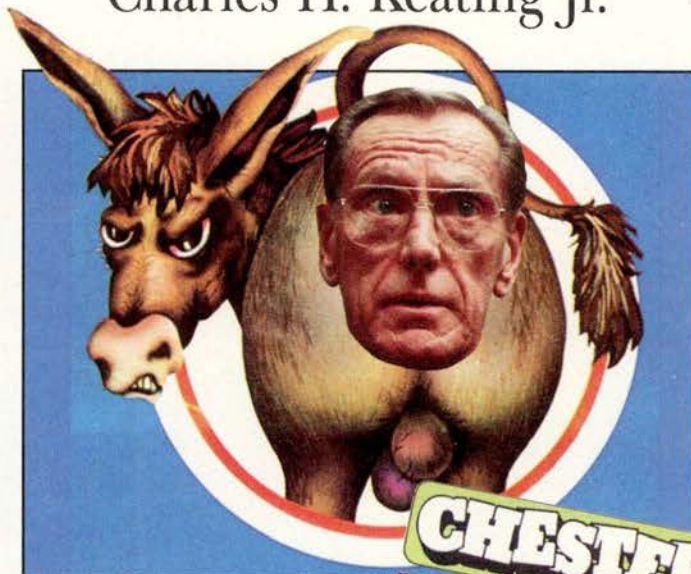

Keating's presumed looting of California-based Lincoln Savings and Loan is a special kettle of turd stew. Using political clout bought at the cost of \$1.3 million slushed into the campaign funds of five U.S. senators, Keating muscled back a probe by federal bank regulators for two ruinous years. Keating's alleged fraud (23,000 customers lost their savings) and siphoning of funds is expected to cost U.S. taxpayers \$2.5 billion.

How much tax burden is \$2.5 billion? An average of \$50 for every American family. But 50 clams doesn't buy much these days anyway; at best it's worth a subscription to HUSTLER and a fuck tape.

Unless Keating has his way, Charlie has two faces: one of greed, the other of hypocrisy. He looks in one direction and betrays the financial security of thousands, while facing the other way and trampling upon the Constitutional rights of the rest of us.

A co-founder of Citizens for Decency Through Law, a bully

### Charles H. Keating Jr.

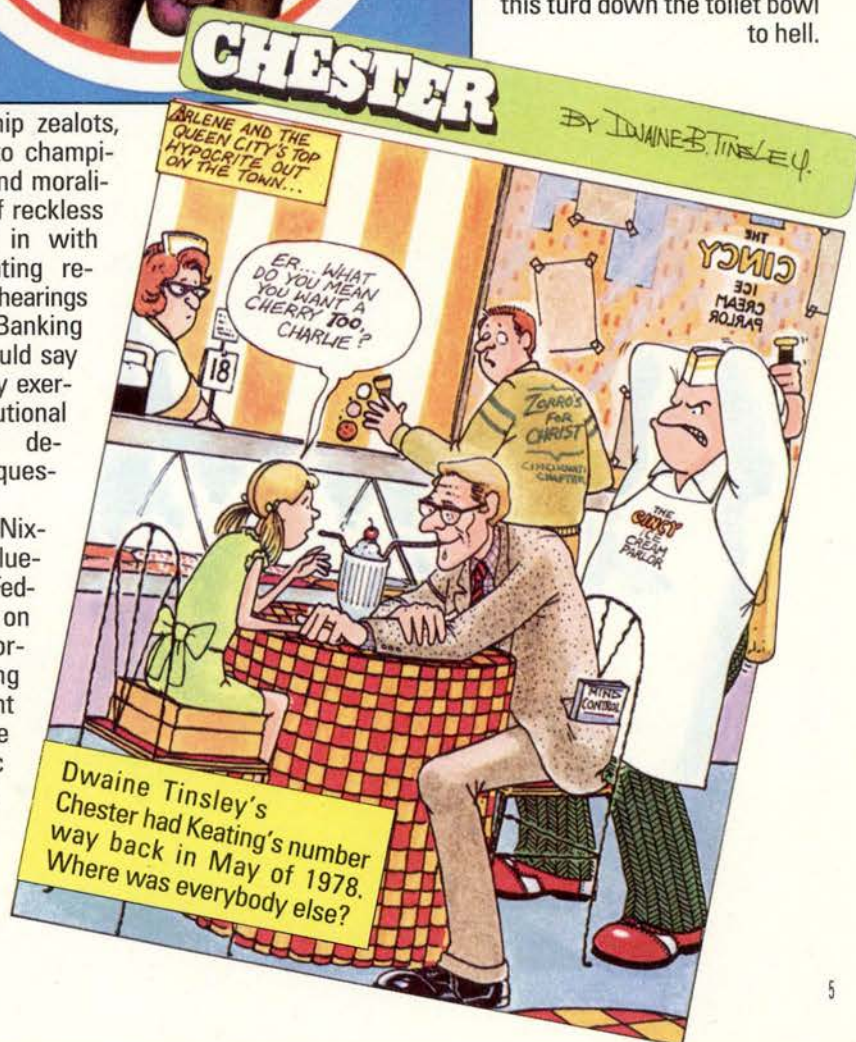

group of censorship zealots, Keating purports to champion family values and morality. How charges of reckless embezzlement fit in with such values, Keating refuses to reveal. At hearings before the House Banking Committee, he would say only: "I respectfully exercise my Constitutional prerogative... and decline to answer questions here today."

Yet, as Richard Nixon's handpicked blue-nose on the 1970 Federal Commission on Obscenity and Pornography, Keating respectfully sought to deprive the American public from exercising its Constitutional prerogative in re-

lation to viewing magazines such as HUSTLER.

We first butted heads with Keating back in Ohio during the '70s, when Charlie was just another sex-panicked vigilante. We were vindicated then, and we stand vindicated again.

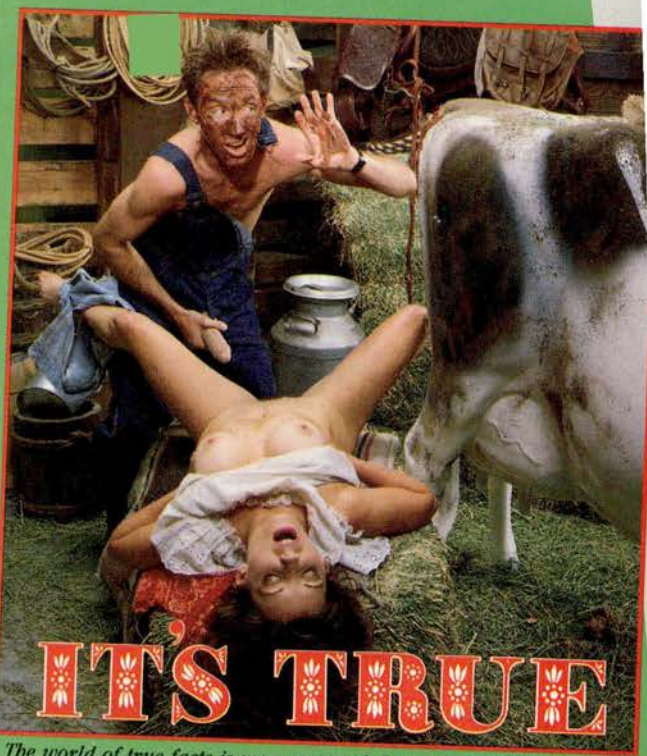

Charlie's aptly named corporate counsel, Benjamin W. Bull, claims Keating has given Calcutta saint Mother Theresa \$1 million over ten years. That campaign bribe will pander no influence when a swindled God pulls the plug and flushes this turd down the toilet bowl to hell.

# HERSHEE SPURTS

HUSTLER prides itself in bringing the latest bulletins from the sick sexual frontiers. Here's a new variation: the chocolate milk shake. Simply fuck your mate in the ass while she oozes past cock, especially after the woman's had some Mexican food with lots of green peppers. It's just as hot coming out as it was going in! WARNING: Doctors caution that milk-shaking is highly addictive.

## IT'S TRUE

The world of true facts is more unusual than any sick fiction we can come up with. A Michigan university is currently studying the effects of cow farts on the ozone. Apparently, when cows eat grass, it ferments. The resultant cow flatulence has a high percentage of methane, which is dangerous for the ozone layer. Those who subscribe to the social-cause-of-the-month club might consider some interesting protests regarding these deceptively benevolent creatures.

Just say yes. It's simple, and it prevents rape. HUSTLER girls follow this easy piece of advice when it comes to the vertical shuffle with a pushy frat prick. When she thinks of the legal fees, the humiliation and waste of time a rape trial can bring—not to mention torn clothes and contusions—she'll want to say yes.

## Porn From the Past

You may have thought your moms and dads didn't have any fun, but here's living proof. If you're hiding some sleazy photos, send them to Porn From the Past, HUSTLER Magazine, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. We'll pay \$150 for any photo we print. Please enclose a self-addressed, stamped envelope if you want your material returned.

For this month \$150 goes to Wayne Moyer.

Prince didn't cast Appolonia as his leading lady in *Purple Rain* because of her brains. Driving her car through the local Stop 'n' Cop was just plain dumb, but before now, cravers of consciousness-altering substances had little choice. However, the advent of zero tolerance and government confiscation of cars, boats and planes has spawned a new need, and Appolonia's Rent-A-Ruse is here to fill it. All her rental vehicles come complete with phony registration; so you can shop without worrying about losing your Mercedes. Next time you want to cop, call her. Pimp-mobiles to used narc cars, she's got 'em all. Cash only; no questions asked.

Parody: Celeb

Here's a story of a man named Barney. . . who was dreaming of lots of little boys. Barney Frank's career in politics has gone limp, but that won't stop his pursuit of happiness. The staunch Democratic congressman may yet resign under pressure, but his little whorehouse in D.C. will keep a steady paycheck coming (even if he doesn't know about it).

Dan Quayle was never on time. Now the President wants him back to run in 1992. What's a young VP to do?

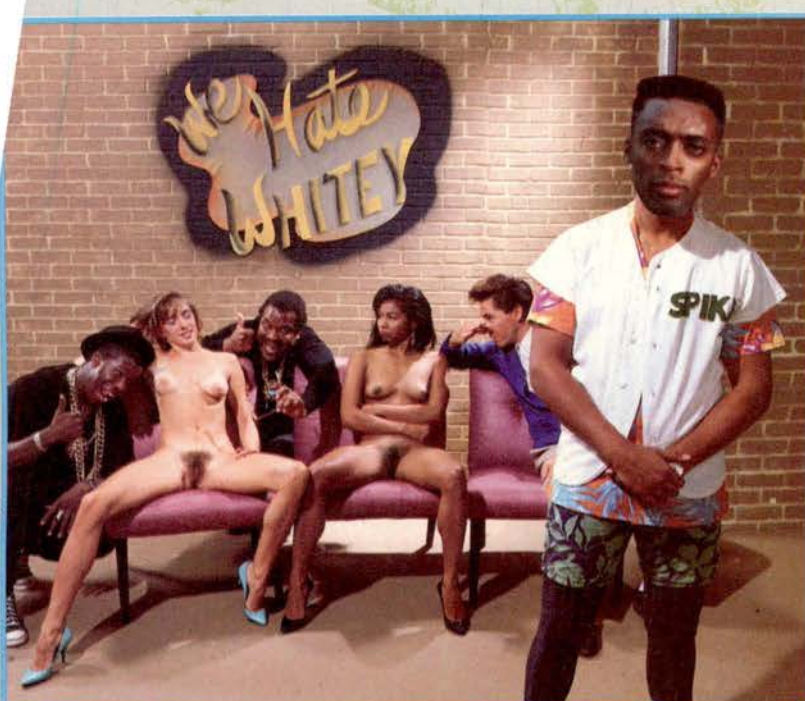

# PINGPONG PLUGGIN'

Now you too can have just as much fun as Jack Nicholson and Karen Mayo Chandler when you smack her behind with Jack's Wack-It. Sex with a little applied pressure is the fad, and Nicholson set the trend when he tied up the model/actress and called her "a naughty girl." Jack's Wack-It comes complete with paddle adorned with that trademark Joker grin, enough to wet the tightest of cunts, plus a few colorful Ben-wa balls for some pingpong pluggin'.

Spike Lee hosts an hour talk show that deals with the tough, important issues that African Americans want to face. None of the wimpy Arsenio talk-show topics! Spike deals with the real issues on *We Hate Whitey*. Black pussy versus white pussy—which is better? When Spike tries to do the right thing, he can do no wrong.

Who better to host a talk show for kids than someone who loves them so much? John Wayne Gacy's incarceration can't stop him from pursuing a television career with *Gacy's Playhouse*. Today's guests are popular teen throbs Corey Haim and Corey Feldman. The clowning scoutmaster and his pals will engage in fun activities like digging for treasure, magic with handcuffs and settling friendly arguments by burying the hatchet.

## DOLLED UP

Veronica Dol was a terrific choice as the January centerfold encore to the December Christy Canyon centerfold (*Veronica: Luxury Model*, January '90). Also, my compliments to the photo retoucher for getting rid of the moles that are machine-gunned across Veronica's body.

—K. S. M.  
Dallas, Texas

*We do not retouch our photos, we just machine-gun cum across our models' entire bodies. . . .*

## SUPERSTAR SISSY

Myself and my roommates enjoy reading your gash-and-boob extravaganza, but we found one thing in your January 1990 issue that shrunk our hard-ons. Sissy, who appeared in *Beaver Hunt*, has the most disgusting, deep cooze; we almost had to run to the bathroom to blow chow! Has she been getting gang-banged by a herd of wild elk? Please, HUSTLER, don't put any more oversized stink boxes in your pages! —C. F.  
Springfield, Massachusetts

What a way to start the '90s. You finally showed a pussy that I could fuck. How do I get hold of teacher-from-Texas Sissy (*Beaver Hunt*, January '90)? I think it was crude of you to call her the Texas Tunnel. See, my dick is too big for most women. By the way, you have nerve requesting your *Beaver Hunt* photos be posed in a certain way. Don't you realize that half the pleasure is seeing the girls in their natural surroundings? —L. B.  
Norwich, New York

*All we want is to be able to see the girl! If backdrops help, then we want 'em used! P.S. How big's your dick? Is it black or white? Keep reading.*

This letter is in response to your torrid but revolting photograph of Sissy in your last issue of *Beaver Hunt*. She was placed in the

wrong section of your fine magazine. Quite frankly, she should be in the "Beaver Trap" section! I am sure that you have many beautiful women whose photographs you may choose from. Why stoop to such revolting standards and print the Texas Tunnel, as you so appropriately named her? —R. P. W.  
St. Charles, Missouri

*Dig the next letter and shut up! Sissy, if you're out there reading, we're on your side, baby. HUSTLER's always right about a sexy woman.*

Please don't change the type of women featured in your monthly *Beaver Hunt*. I don't care how many letters you get complaining about how ugly some of them are. These are the kind of women any average guy would have a chance with. Give me a real woman like Sissy from Texas any day over *Playboy's*

walking/talking Barbie dolls. Please don't hesitate to offer any woman, no matter what her imperfections are. For those of us who are into fetishes, how about more barefoot Beavers, especially those showing the bottoms of their feet? Chicks with hairy armpits are also great!

—P. J. B.  
Dublin, Georgia

## WET DREAMS

I am eternally amazed at the area of market that HUSTLER continues to overlook. That is the subject of women peeing. My particular kink is to see girls peeing in their tight bluejeans. HUSTLER continues to pursue the idea that assholes are supposed to be a turn-on. Assholes are not sexy to me. After pursuing the asshole craze for so long, why does it never occur to HUSTLER to pursue the other natural function? When one gets to noticing, no magazine anywhere has capitalized on the "pissed in her pants" look.

—B. F.  
Greenville, Texas

*You've got a point, B. F. Next time one of our models asks to get up to use the john, we'll lock the door.*

## HOT ON THE HEELS OF THAT ONE

Your December 1989 issue is one of my favorites because of the spread on Christy Canyon (*Christy Canyon: Bigger, Better and Back!*). I am a leg man, and I have a shoe fetish. Christy is wearing one of the sexiest pairs of shoes around. You might say not all

like high heels, and I have to say *bullshit!* I bought my wife a pair of Frederick's of Hollywood black patent-leather (Senshoe-al Spikes) high heels. #### BACK TO BLACK

I'm a 19-year-old white female college student who has never intended to write to a men's magazine, but after reading the racist piece of stupidity by C. C. B. of Tyler, Texas ("No Photo to Prove It," *Feedback*, January '90), I have to reply. I have been to bed with several black men. I am attracted to black men. It's just a physical attraction, not a crime against nature. Sometimes just getting undressed in front of a black man can stimulate me simply because he's black. My lovers have said the same thing of my whiteness. When I take a black man's erection in my mouth, I feel at once subservient to his power. I decide *if* and *when* he will relieve himself in my mouth. For C. C. B.'s edification, it is not a "load of crap" that black men are bigger. Take it from one who knows: Black men have a lot more to offer a girl. Not one of the men I've had sex with looked like a monkey. None of them thought that black women were ugly. Black men also have better-built butts. I bet C. C. B. has to stuff his pale, flabby mud flaps into his boxer shorts with a spatula. As for "never going back," I've got nowhere to go back to. I'm here to stay.

—C. D.  
New York, New York

I'm writing this letter to the guy with the alleged huge (unshown) white cock. First of all, sport, you're an ass to let this little saying about big black dicks get to you. You show all the people who read HUSTLER Magazine how small your brain is. Since you didn't send a picture of your so-called huge cock, along with a small mind you must have a small cock—or should I say stump? I'm black, and I read HUSTLER, and it sounds to me that a black man (or, as you put it, a "monkey-faced nigger") must have busted your wife's or girlfriend's cunt wide open, to the point where you have to strap a board to your ass to keep from falling in! I'd match swords with you any day to stand

by us "monkey-faced niggs." —D. M.  
Corona, California

I'm writing to correct C. C. B. from Tyler, Texas, on his comment about the "Swayed by Spade" feature in *Hot Letters* (October '89). You need to look up the definition of the word *nigger*, because it means a horse thief. That's a pretty common mistake among you white Texas punks, cracker. I'm going to have to do you like the farmer did the potato plant and dig you later. P.S. To all you white females: I'd love to be your candy lick.

—Candyman  
Indiantown, Florida

#### SEX-CRAZED IRANIAN NUTBALL

Hi! I love you! You may be very surprised to receive this letter from a forbidden Eastern country, but please accept it! I am a 29-year-old widow, sex starving but still eager and hot for lust and love! It is six years that I only have made love with myself! My only fantasy is to play and love my own poor pussy! I love pussy, but I need to develop my fantasy! I am tired of all my bitter masturbations! Please take care of my still juicy and throbbing pussy! I am still a wet-panty female! I have a lot of dreaming desires! But here all are forbidden! I love to see more lovely pussy! I love to see golden pussy of Western beauties! Someone sent me a middle page of one of your

dreaming HUSTLER issues! Her body was wet, her eyes closed, her legs wide open and exposing her sweet pussy to me! I got crazy of lust and desire! I got fired and flamed too! I do not know who has done me this favor! But I am thankful from you dears! I decided to send this letter of demanding to you and explain my sex starving situation for you and ask you, even beg you, to support my starving sweet pussy! Please send me more erotic pages of your lovely HUSTLER issues and open an erotic window to my dark life! Please, I beg you again and again! If you do me this favor, I would be your slave! Your passionate pet! I will be yours! Please do not leave me in darkness! I am waiting eagerly!

—Safavi  
Tehran, Iran

*As much as the prospect of a genuine Iranian love slave appeals to us, we just can't do it, Safavi. Can't a person get his head cut off for stuff like that in your country? But listen, if you ever make it to the U.S., look us up. You know the address.*

## RED HOT FIRE GIRLS

*Three-Quarters Erect. Directed by R. U. Hardy; starring Sharon Kane, Tracey Adams, Keisha, Ebony Ayes, FeFe Bardot, Barbara Dare, Nina Hartley, Tom Byron, Mike Horner, Jon Martin and John Dough. Video-cassette by Vidco.*

Pull on your knee-high rubber boots, cum-proof rain slicker and fireman's hat—then plug in this cassette. Although *Fire Girls* takes its time warming up, your dick's thermometer will squirt white mercury before the closing credits. Keisha performs a ball-boiling gymnastics romp, rubbing her slick pussy lips and huge globes all over a greased-up fire pole. After the incendiary display, John Dough, heat-tempered nozzle in hand, squats behind her as she executes an incredibly wide jaws-of-life spread to accept his waiting hose. Meanwhile, Sharon Kane and Tracey Adams slurp, jerk, ride and feast on Mike Horner's plump cock. His mile-wide grin lets us know he's in pussy heaven. Once again it's Dough with the hot schtup as he and pal Jon Martin double-dick FeFe's snatch and snout, then uncork their hydrants to cool her overheated cooze. Tom Byron, the film's central character, utters some great helium-assisted one-liners before poking the coals in Ebony Ayes's and Keisha's flesh furnaces. With the exception of a few unnecessarily long dialogue segments, this flick's a definite peter-heater. —Gil Guapo

## Porn's Cum Cocktail

Brandy Alexandre is a good Mormon girl. She doesn't drink, smoke or do drugs. "I just fuck in front of the camera for money," Brandy tells us. "I'm not a really nasty, kinky girl." Maybe, but she does do one other thing most of porn's current cooze refuse to do: take a blast of cum in the face.

"The cum-shot on the face is the most important thing in this entire business," Brandy says. "My theory for cum-shots in the face is: The camera is always on the cum-shot, and I want the camera on my face. I like the warm, splashing feeling. For *Blowing in Style*, my cum-shot movie, I take it in the face in all eight scenes. Too many prissy porn starlets don't do it dirty. Someone told them that it was degrading for a guy to come on your face; it's not degrading. I love it. I request it. And because I don't do girls, I figure it's a nice compromise."

It takes a special kind of girl to enjoy cream facials—HUSTLER's kind—and porn needs more of them. See Brandy get her face messy in *De Blond*, *My Wildest Date*, *Bare Essence*, *Rock 'n' Roll Heaven* and *Mystic Pieces*.

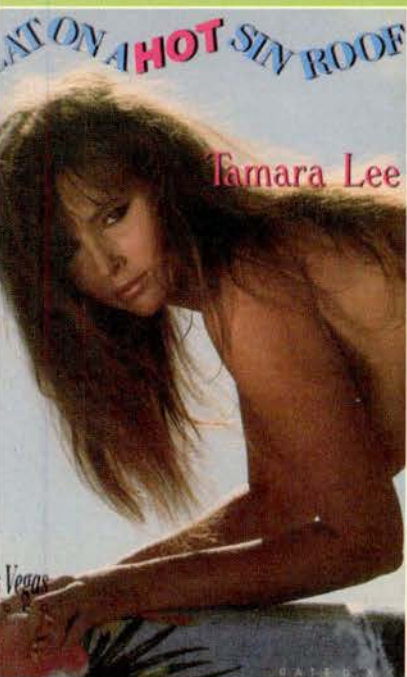

Brandy blows in style.

Brandy Alexandre

## CAT ON A HOT SIN ROOF

One-Quarter Erect. Directed by Billy Dee; starring Tamara Lee, Nikki Knights, Raven Richards, Sharon Mitchell, Kassi Nova, Don Fernando, Buck Adams and Jason Dean. Videocassette by Las Vegas Video.

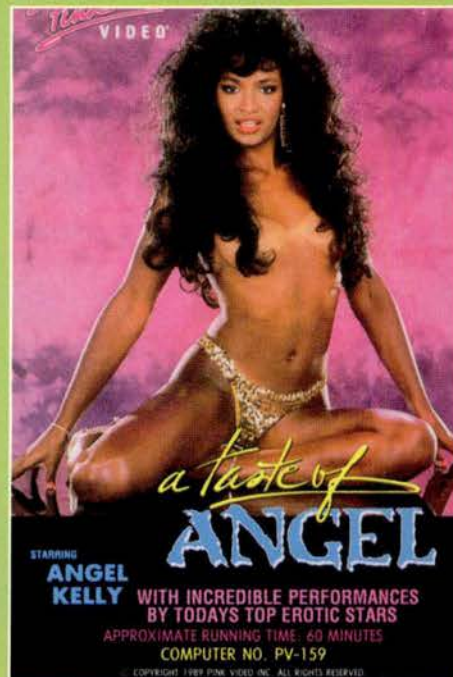

Tamara Lee's knockers are the sort of jiggling jugs titmen love to see wiggling and bouncing on the sex screen, especially when she is on her hands and knees getting her cheeks cracked. She's a beauty, no doubt about it—even if she could stand to lose a few rolls on her tummy and thighs. Aside from Tamara, the sexiest chicks also happen to be the oldest: Sharon Mitchell and Nikki Knights. Clearly in the "thirtysomething" crowd, these two are in much better shape than the younger sluts who stain this spoof of porn-movie casting. Buck Adams stars as a straight actor who discovers he's auditioning for a porn flick. He plays the male equivalent of a bimbo with such ease, it's an easy bet he's that way in real life. There are some sweaty, sticky scenes, but not enough for anything but a fast jerkoff. —Rusty Knox

## A TASTE OF ANGEL

One-Quarter Erect. Directed by various; starring Angel Kelly, Jesse Eastern, Lois Ayres, Sharon Mitchell, Porsche Lynn, Steve Drake and F. M. Bradley. Videocassette by Pink Video.

There are few racists when it comes to Angel Kelly. Something about her long, lean, toned and mean Afro-lady body cuts straight across color lines, bypassing prejudices to go straight and stiff to the healthy prick. After all, it's all pink inside, and that stands true for both Angel's cunt and her mouth. Kelly's erotic exertions have been seen steaming up schtups of countless cock-and-cunt entertainments—as star, as supporting slot and as part of a high-libido ensemble. Why, almost any tape that has Angel in it has an Angel highlight. She's shot enough top-drawer material to make a two-hour tape of her greatest stiffings; unfortunately none of those illustrious lustings were chosen for *A Taste of Angel*, a flat half hour or so of mostly blandly captured couplings that do Kelly an injustice and leave a bad taste. —Kurt Blume

## A TASTE OF STEPHANIE

*Half Erect. Directed by various; starring Stephanie Rage, Sharon Kane, Randy West, Blake Palmer, Tony Montana and Jacqueline Lorians. Videocassette by Pink Video.*

Thank God for silicone and hair extensions. As one can plainly see in three of the four erotic encounters in this lust-lacking "best of" tape, Stephanie Rage was just your average cooze cupcake before science turned her into a demigoddess. It's too bad the viewer has to sit through a trio of tepid toolings and droolings featuring the early model Rage and only one with the newfangled nymphette. The tape is also poorly edited, with dialogue taking up prime porking time. *A Taste of Stephanie* is for die-hard whackers who want to see the Rage's early bodily manifestations. But many one-eyed wonder worms believe it's only after she adopted a rock-star mane and shot synthetics into her stacks that she became the real Princess Stephanie—something this *Taste* doesn't provide much of.

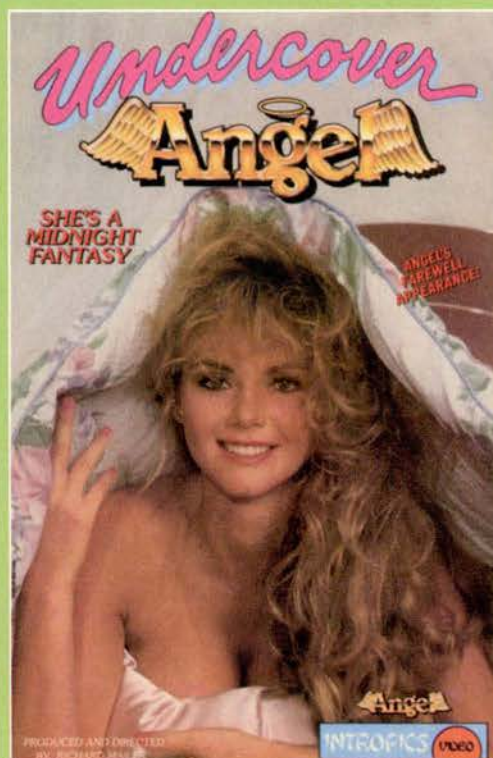

—Sam Lowry

## UNDERCOVER ANGEL

*Three-Quarters Erect. Directed by Richard Mailer and Eric Edwards; starring Angel, Staci Lords, Lola, Isa Robetti, John Dough, Mike Horner, Scott Irish, Gregor Samsa and Cristina. Videocassette by Intropics.*

*Undercover Angel* will have your cock scratching at the back of your zipper, begging to get loose. From the first scene in the deejay booth where Cristina throws a wild-eyed blow to Gregor Samsa's incredibly fat snorkel, *Undercover* sets a frantic pace. After a butts-up labe-stretching fuck, Cristina drops to her knees as Samsa's porky hose does an impersonation of a Rain Bird, sprinkling spoot all over her pretty face. Other hot spots include John Dough's redefinition of Staci Lords's cleavage, and Scott Irish banging Angel's divine honeybucket with last-fuck-of-my-life abandon. But the best scene—the one worth choking back your wad for—is when Cristina, in mid-missionary plow, utters those too-seldom heard words: "Fuck me in the ass!" A quick lick on the thumb and smear on the bud, and *ploop*—Dough's in there, reamin' feces. To top it off, the blond trooper felches his anal snake clean. *Angel* is full of yet-to-be-burnt-out fuck stars, giving their all in some truly whack-worthy smut.

—G. G.

## HOT SPOT DEBI DIAMOND

A few years ago this shapely lass with the fine big ass was known as Kaviar, a fitting moniker for the delicacy between her legs she served up in productions like *Bad Girls II*. Kaviar was the prettiest girl in X, destined for greatness—then she disappeared. Happily for strokers, she's back; a few years and a name change have done nothing to diminish her lovely spread and stunning good looks. In fact, the time away has made her hotter. Porn's reigning gem gets her pussy and ass filled at the same time in *Butts Motel 3* and is showered with cum in *Black Cobra* and *Gang Bangs II* (pictured), things the more-alooof Kaviar never did. Diamond's other credits include *Uncut Diamond*, *Super Tramp*, *Party in the Rear*, *Vixens* and *Hotel Paradise*.

## CHEEKS 2: THE BITTER END

*Three-Quarters Erect. Directed by Britt Morgan, Jace Rocker and Jim Enright; starring Britt Morgan, Nina DePonca, Rachel Ryan, Rachel Ashley, Peter North, Tom Byron, Jace Rocker, Nick Random and Jamie Gillis. Videocassette by Coast to Coast Video.*

*The Bitter End* hearkens back to a simpler era, when cats were cool, espresso was the drug of choice, spouting off existentialistic poetry could get a guy laid, and every other wild little chick took dick up the ass. *Bitter* is

At *The Bitter End*, poetry will get you laid.

DePonca opens her creamy rosebud for Byron.

one of the best-realized period pieces ever to come out of porn's video age. It's black-and-white introductory segment—a gripping mélange of garish neon, undulating go-go dancers, auto grilles, youths on motorbikes and old stag films all flashed to a driving, Booker T and the MGs-style backbeat—should get some kind of prize. The movie is pretty good too: Nina DePonca in a blond wig spreads her creamy cheeks for a Tom Byron invasion of her rosebud, codirector Britt Morgan's rectum does double duty, Rachel Ryan takes one in the booty, and Rachel Ashley doesn't even try to duck a torrent of Peter North's raunch launch. *The Bitter End* could be a sweet beginning.

—Alex Marvel

## LEGEND OF SLEEPY HOLLOW

*Half Erect. Directed by Scotty Fox; starring Debi Diamond, Sabrina, Cheri Taylor, Ashley Winger, Lonnie Taylor, Scott Irish, Randy West and Robert Bullock. Videocassette by Legend Video.*

*Legend of Sleepy Hollow* is as cheap, sleazy and generic a porn-motel tape as is likely to come along—until next week. Scum-flinger Scott Irish checks in with his petulant, skinny, titless brunet wife Ashley Winger and has his marriage rejuvenated when flop-breasted douche-water blonde Lonnie Taylor joins the couple for a shower-stall ball, proving that *everybody* looks better when they're wet. Randy West and Cheri Taylor meet at the registration desk and enjoy a brisk bun-and-boob bouncing boff before lunch; Irish and Winger, martial woes erotically transformed to marital bliss, cement their relationship with the slurp-and-slit slime of platinum-blond anorexia poster child Sabrina; and traveling salesman Robert Bullock pitches his goods to cooze customer Debi Diamond, dropping his semen samples in her lap. *Hollow's* lustings are kicked off by a chick-to-chick gonad lick, featuring the faces and fox-holes of platinum Sabrina and the other blonde—you know, the cheap, sleazy, generic one.

—Hakim Whithers

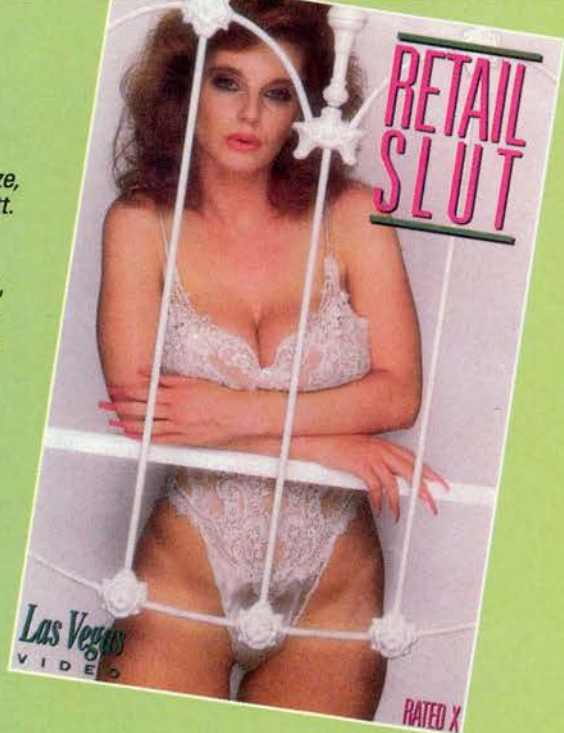

*Sleepy Hollow: Cheap, sleazy and generic.*

## RETAIL SLUT

*Half Erect. Directed by Sharon Mitchell; starring Busty Belle, Mandi Wine, Holly Daze, Jacqueline, Tonya, Lydia, Scott Peterson, Frank James, Cal Jama, Nick Dolton and Brett. Videocassette by Las Vegas Video.*

You'd think that after a decade of scarfing shafts, slurping spew and licking labes, senescent slut Sharon Mitchell would know what makes pricks percolate. Unfortunately, her turn behind the camera is flat, dull and uninteresting. The story is some slobbering nonsense about a lingerie shop where the girls really know how to close a deal; but outside of the lissome lusty of Mandi Wine, most of the action rings up a solid "no sale." Titanic-titted Busty Belle's stupendous stack goes unreamed, as her black buck opts for more conventional means of ravishing the wench. The rest of the cast of virtual unknowns are going to stay that way. As a director, Mitchell has a knack for shooting lots of backs and continually misses getting a perv's-eye view of things. We love ya, Mitch; but stay a doer rather than a viewer. —S. L.

Coming: Waiting for Tori to fuck.

## COMING OF AGE

*Half Erect. Directed by F. J. Lincoln; starring Tami Monroe, Tori Welles, Porsche Lynn, Cheri Taylor, Honey Moore, Mandi Wine, Tom Byron, Joey Silvera, Randy West and Peter North. Videocassette by Caballero.*

Tami Monroe may be under five feet tall, but she can open her legs a mile wide. A little-girl guttersnipe, she's porn's piece of rock candy: sweet and hard-edged. Although tiny taste treat Tami is the star of this fluff, Tori Welles steals the heat. From the moment Tori answers the door to country-girl runaway Monroe, it's a frustrating wait to see her fuck. Standing in a white-lace teddy, big and swarthy and a bit of a bitch, a jewel in her nose like a desert princess, Tori overwhelms the screen, but she appears in only two sex scenes. During a session on cocksucking techniques that is weirdly arousing, Welles pumps a fake cock in and out of Monroe's mouth; later, she sits regally on Joey Silvera's face, humping his mouth and chin while Monroe works his cock into a sloppy froth. The other stroke of note features serious cunnilingus on Honey Moore's mouth-watering vagina, a shaved, thick-lipped and moist pleasure squeeze that'll stiffen the tongues of pussyeaters everywhere. —Mal O'Ree

## BRATGIRL

*One-Quarter Erect. Directed by Paul Thomas; starring Julianne James, Hyapatia Lee, Barbara Dare, Jacqueline, Debi Diamond, Tom Byron, Jeff James and Eric Price. Videocassette by Vivid Video.*

*Bratgirl* has more optional features in its first 15 minutes than most poon pics contain in their entirety. For openers, director Paul Thomas treats the lucky viewer to a lavish trendy-boutique set—with no detail spared—including a proprietress, shoppers and a dressing room. There's plenty of time to look for bargains at the on-sale rack. Of course, any guy who's ever accompanied a girl shopping will be more than ready to leave when consumerist cutie-pie Julianne James finally heads off to home and hubby Tom Byron. Tom and Julianne have a hot talk about polyester, then Tom cruises down to the boutique. Hey, they've got the set; why waste it? A funny thing happens at this juncture: Byron eats Hyapatia Lee's pussy through a body stocking, giving the momentary illusion that *Bratgirl* is a fuck film. But don't dismay; still to come, aside from Hyapatia's new traffic-cone titties, are bone men suspended in a body harness while fully clothed, Barbara Dare having no-dick sex and a bunch of porn skeeves in Halloween costumes. And that's that for this segment of the *Brat*. —K. B.

*Bratgirl* Lee sits pretty in the vid's hottest scene.

## THE PHANTOM OF THE CABARET PART 2

*Half Erect. Directed by Henri Pachard; starring Keisha, Randy Spears, Rick Savage, Bionca, Sharon Kane, Jamie Gillis, Caroline Laurie and Barbara Dare. Videocassette by VCA.*

The major error of *Phantom of the Cabaret Part 2* is identical to the primary fault of the first *Phantom of the Cabaret*: They've got the wrong person wearing the mask. Throughout the endless nonsex nonsense of both *Phantoms*, Jamie Gillis is seen prowling around, sucking on hind teat, squeezing knockers, slipping his schlong into hand and gland and spilling his putz, all the while with a point-less black-leather mask covering half his face. In *Phantom Part 2*'s climactic, touching, dramatic snooze-point, Gillis removes the mask to reveal a slight scar running down one cheek, which Keisha tells him ain't so bad, then squats her asshole on his turgid tongue. The point is that Gillis's face looks no rougher than Bionca's and carries nowhere near the ravages of time supported by Sharon Kane's, both of whom brazen through both *Cabarets* with their mugs flagrantly exposed. Here's to *Part 3* and masks for everyone.

—H. W.

*Phantom: Masks for everyone.*

## LEAVE IT TO CLEAVAGE

*Half Erect. Directed by Sky Henderson; starring Tracey Adams, Le Dawn, Jerry Butler, Tawny Downs, John Johnson, Viper, Harley Davis and William Margold. Videocassette by the Erotic Video Network.*

A low-budget fuck vid's built-in limitations in sound quality, camera and editing expertise, and the limited dexterity of its talent can all be easily stomachied if mixed in with copious quantities of showering cum. Unfortunately, though *Cleavage* is studded with a few jism gems—in particular, Jerry Butler riding in Viper's face to jerk his joy juice into her ecstatically gaping yap, John Johnson draining his johnson in Le Dawn's tit loaves and William Margold prick-flinging his viscous strands of genetic slop onto the ever-smiling sperm depository that is Viper's face—the moments of shining slime are separated by ill-advised changes of scene and expanses of amateurish footage in which a convoluted plot is discussed to obliteration. Most humans have grave difficulties in attempting to fuck and talk at the same time while cameras are rolling. Don't blame the fuckers of *Cleavage*; they are only doing their jobs. —A. M.

## PUBLIC POON

"Robyn, come here," hissed my husband. He stood by the large picture window, binoculars pressed to his eyes.

I blushed with excitement when I heard that familiar, nasty hiss.

"Open your blouse," he commanded.

We live in a third-floor apartment among several high-rise apartment buildings. Every so often my husband Bill takes out his binoculars and watches the windows of the other apartments. When he spots another voyeur with binoculars, he orders me to put on a show in front of our picture window. You'd be amazed at how many voyeurs there are in the half dozen apartment buildings surrounding us!

I'm an exhibitionist. I get off knowing that a strange schmuck is pulling his pud to the sight of me. My orgasms are as intense as when my husband takes me to a bar and lets three or four guys gang-bang me in our van. Our marriage isn't what every couple wants, but we're happier than most. The secret is Bill's understanding nature—he knows what I like.

"It looks like someone new has moved in across the way," he said with a dirty chuckle. "Put on a real show for him." Whoever was watching me couldn't see Bill in the shadows. All they could see was our brightly lit drawing room—and me.

Knowing that a pair of strange binoculars was focused on me—watching my every move and gesture, examining my bust, lips, fingers and hips—I unbuttoned my blouse. Then I shrugged out of the bra and stood proudly before the window, topless.

"Play with your titties," whispered my husband. "Shake 'em." Caressingly and gently, I ran my fingertips over my mounds. I brought my fingers to the sharp points of my nipples, rolling them until I thought I might faint with passion. A murmur of pure lust escaped from my throat.

"He's enjoying the show," said my husband. "Take off your skirt and panties."

I slowly unbuttoned my skirt and let it

fall to the floor. Stepping out of it, I strutted around, nipples high. With my back to the window, I kneaded my pear-like buttocks, squeezing them and making them jiggle. Then I ever so slowly pulled down my silk panties, down my smooth thighs, over my slim knees and shapely calves.

"He's got his prick out," said my husband. "Flash some gash." Completely naked, I stood before the window, running my hands over my legs. My juices were already starting to flow. I was dying to dig

into my cunt with both hands.

"Play with yourself," instructed my husband huskily. The sight of me reflected in the other guy's reaction was making Bill hard. I heard the jangle of his belt buckle as he unbuttoned his pants.

My heart pounded furiously. Pinpricks of excitement flickered over my fiery flesh.

I turned my back to the window. My ass turned toward the watcher. I bent over, my legs spread. I ran my hands over my calves, then I grazed my finger along my anus and my hot little pussy. I plunged my hands into my vagina, searching my passion pit, and lay on the floor, legs spread wide and knees high, displaying my sopping snatch for all the world to see.

"Finger-fuck yourself!" he commanded.

I spread the petals of my pussy and stroked my red-hot volcano. I massaged my gleaming, wet clit. It throbbed with desire. My pussy slurped up every touch as I vigorously friggd myself.

"Jesus—he's beating his meat!" laughed my husband, pleased to watch the poor asshole make a fool of himself.

I blushed. I was proud that I could make so many men happy. I panted and gasped. Sweat gleamed on my jiggling titties and my legs.

"Don't come," said my husband sharply.

"P-p-please," I begged.

"Not yet," he replied.

Reluctantly, I slowed my hand. Instead, I caressed my breasts and lingered over my erect and swollen clitoris. My breath was harsh and ragged. Salty honey was warm on my fingers. I coated my nipples and rubbed some of the pungent juice on my lips. My fingers returned to my snatch, where I friggd my clit again.

"You should see the load of cum that guy's got," exclaimed my husband, furiously beating his own meat.

But my mind was on my own orgasm.

"Can I come now?" I pleaded. "Please?"

"All right," muttered my husband.

With one hand I flicked my clit, and with the other I plunged my fingers into my vagina. Furiously, my fingers flew. My husband dropped the binoculars and put both hands on his rod, masturbating with short, rapid strokes, watching me all the while.

Writhing and whimpering on the floor, I screamed as my climax exploded. Hot cum shot from my cunt. My husband's shaft erupted, and huge wads dribbled over his hand. My pussy spasmed and quivered and gripped my fingers happily. Wave after wave of ecstasy rolled through me. A warm and pleasant glow pervaded me.

"You're beautiful," whispered my husband when I crawled over to him and licked his prick clean.

My marriage isn't perfect. Whose is? The important thing is that I get off on it.

## PRIVATE DORK

I'm a 30-year-old military man who likes fucking women while wearing women's clothes. Sounds kinky? That's the point. Straight fucking is too cut-and-dried for me. Dressing up like a woman turns me on.

The first time I beat off was when I was 15 and tried on my mother's dirty bra in the bathroom. It didn't fit. I tried my sister's bra, and it fit perfectly. I added panties, slip and pantyhose whenever no one was home and shot load after load of hot jism into my hungry hand. One day my mother came home and found me that way. She was mad as hell, but before long she made me dress up on weekends and after school. She took me shopping. I played her "daughter." She thought it was cute. I thought it was sexy as hell.

This kept up until I turned 18 and moved to California. While in California, I learned how to put on makeup and look more like a woman. Nothing made my cock stiffer than wearing pantyhose and high heels. I had a girlfriend who had no idea about my dirty secret. One night I brought her over to my apartment. Sue was a fiery redhead with a 38D-31-33 figure. I excused myself for a moment. When I came back, I was wearing a pair of women's panties and silicone breasts under a black-lace bra. Sue was surprised as hell, but when she saw the raging boner in my panties, she told me to sit down beside her. She took a makeup compact out of her purse and made up my face like a whore's. Her hand was in her lap, and her fingers diddled her pussy. My cock nearly burst through the reinforced crotch of my feminine panties. I told her I wanted to lick her twat, and she spread her legs wide. I stuck my long tongue in her mouth and took off her bra. She took off my bra. My silicone tits fell to the floor. She laughed and asked me if there was anything else she ought to know about me. I didn't tell her I liked to have a rubber dildo jammed up my ass. One surprise was enough for now! I pulled off my panties, and she sucked my fuckstick. I couldn't hold my cum; so I shot it into her mouth. Then she kissed me and passed the thick spunk into my mouth. That was so fucking kinky, I got hard again and fucked her up the ass. She rode my cock

like she was born to butt-fuck. I came into her shithole, managing to let loose another load.

When Sue and I moved into an apartment together, I found out that my ten-inch dildo was a good three inches shorter than any of hers. She also had something I'd never seen before—Ben-wa balls. Upon seeing all this, I shut the door and demanded she fuck me. I dressed in some stockings and high heels. She greased up the balls and stuck them into my ass, one by one. My cock nearly burst, it was so hard. The sensation of the silk stockings on my hairy legs made me ecstatic. I crammed six balls into her hairy cunt, and we applied red lipstick to each other's hot lips. As the Ben-wa balls rolled up and down in my shitter, I was closer to heaven than I'd ever wanted to get. I came without even touching my cock.

That night Sue dressed me in a low-cut white-silk blouse and a black-leather miniskirt with black fishnet stockings and spiked heels. It was a whore's outfit, and with an expensive wig she bought me, I looked like the real thing.

"Let's get us another pussy," she purred.

We went to a low-class bar and picked up a black girl named Jeannette. It turned her on to discover I had a boner under my dress. She thought Sue was just as sexy as I was. We brought her back to our place. While I fucked Jeannette, Sue poked her biggest dildo into my ass, deeper with each stroke of my cock. When I came, she jammed it in to the hilt. Jeannette licked the spunk off my cock, and then she and Sue gave each other head in the 69 position. When I was hard again, I joined them. Sue brought out her dildos and stuck one in Jeannette's cunt and one up her ass, then put one in her own cunt. Then she rammed the biggest one up my butthole. Jeannette manipulated Sue's dildo, Sue manipulated mine, and I tooled the two up Jeannette. When Jeannette came, she actually shot a stream of cum from her cunt. I shot my load all over her tits, and Sue licked it all up.

Since then, I've broken up with Sue and joined the military. Whenever a bunkmate brings up what is supposedly a hot night with his babe, I think of my own kinky past and wonder if I'll ever come so much again.

# I HAWKED MY COCK ON *GERALDO*

**G**eraldo Rivera was two feet away from me. The urgent, little mustachioed spic faced a television camera and said, "Finally, we have Alex, who attracts his female clients by advertising his services as sensual, total body massage. If sex is what the massage client wants, that's what the massage client gets. Women buying sex—what are they looking for, and who are these men who give pleasure to women for a price? Gents for rent. That's our focus on this edition of *Geraldo*."

On the stage were a handful of guys, each topping the other with stories of great sex, appreciative women and truckloads of cash. The audience applauded as Geraldo ran down the aisle to grill Anthony, John and myself about our lifestyles. Anthony worked as a male escort in San Francisco, while John and I did likewise in New York City. The audience was a bunch of housewives who, as the TV camera scanned their curious, wistful faces, looked to all the world like prospective clientele.

If you've always thought of a male prostitute as a

gigolo—a sucker trapped in the exclusive service of a rich squack who was probably ugly and dried-up and more trouble than she was worth, despite the booty—think again. With a massage racket, a hustler can freelance—no strings attached. To an independent guy like myself, the difference made quite an attractive proposition.

I became a male prostitute after fantasizing about such a scene for years. Ever since I was a teenager and the juice from my balls hit the right nerve in my brain, I've been obsessed with the idea of getting paid to fuck a woman I've never seen before and may never see again. I don't fancy myself some sort of Mel Gibson type. I'm just an average-looking guy who adores female flesh.

One day I picked up a giveaway newspaper in a market and noticed that in the "Massage" listings in the classified ads, two out of 12 listings were headed "For Women Only." I didn't need to have a business major to realize there wasn't a hell of a lot of competition out there. I'd taken a few massages in my time and figured I knew enough about touching female skin to fake anything I didn't know. I called the paper and placed the following ad: *WOMEN ONLY. Sensual TOTAL body massage. Alex. Day or night. My rates were not included in the ad, but I decided to charge \$100 an hour. I didn't want to come off cheap, like some kind of low-life bum.*

One afternoon I was about to split the house when the phone rang. I picked it up on the second ring.

"Is Alex there?" a male voice inquired. "Speaking," I replied. "How much for the massage?" he asked.

I couldn't believe it. "Did you read the part that said 'women only'?" I inquired in a rude sort of business tone. "It means anatomically. Get lost." Several times a day during the ad's run I had to define the term "women only" to a lonely whacked-out faggot. I passed by thousands of dollars worth of business that way, but I wasn't in it just for money. I wanted the pussy.

Four days after the ad first appeared, I got a call that made my dick stiff before the conversation was over.

"Is this Alex?" a deep, erotic voice asked after I answered the phone.

"Yes, it is. Can I help you?"

"I want a massage. I need to be...rubbed. My name is Mrs. Watson. Can you see me tonight?"

I admit, I was somewhat nervous as I rode the A train up to her home from my East Village apart-

ment. Prostitution is a kick in theory, but in practice it requires that you have your wits about you. My anticipation canceled out any serious apprehension.

continued...

Mrs. Watson had a sexy voice, but I couldn't imagine what she looked like. I couldn't be sure she would even be there. A few thoughts of dread lingered in the back of my mind. Maybe a gang of crack-heads were luring me up to their apartment so they could kick my ass and steal any money I had for a vial of rock. That was the worst-case scenario I conjured up as I climbed the stairs of the 85th Street station.

I walked into the lobby of the building and was relieved to see a uniformed doorman. Very few crack dens are located in Upper West Side doorman buildings. The doorman got on the intercom and announced me.

By the time I rang the bell of Apartment 5-K, I was running on Zen automatic pilot. I kept telling myself that Mrs. Watson was probably more nervous than I was and that if I just relaxed the whole affair would work out fine.

The door opened and a short black man greeted me. "Come on in, Alex," he said. "My wife is in the living room." I wasn't sure what sort of scene awaited me, but I wasn't about to bail out just yet. This man seemed harmless, and

maybe he wanted to jerk off while I massaged his wife. As long as he didn't want any contact himself, I was up for a little perverted voyeurism.

I followed him into a lushly furnished living room with a fantastic view of Central Park. I was happy I hadn't quoted a price to Mrs. Watson. Folks with digs like these could certainly afford \$100 an hour for a healthy fuck. He introduced me to his wife, who was wearing a full-length, blue-silk robe and sipping from a glass of cabernet. She rose from the couch.

"Hello, Alex. I'm glad you could come. This is my husband. I'm Mrs. Watson. Do you want a drink?" It was the voice I'd heard on the phone. Mrs. Watson was a gorgeous, shapely black woman. She looked about 45 years old, and the sight of her bare tits pushing against her robe sent positive vibrations to my cock.

I asked for a club soda. Mr. Watson brought me the drink. We made small talk for a few minutes, and then he came to the point.

"We're curious as to what the word *sensual* means from your ad. How sensual do you get?"

"For \$100 an hour the client can have as much sensuality as she can handle," I replied. My heart was beating like a rabbit's. Mr. Watson didn't bat an eye. He peeled a roll of \$20 bills from a silver money clip and handed me the wad.

"She's not squeamish," he said. "I'll be back in a couple of hours."

The next moment I was alone with Mrs. Watson. "If you'll excuse me, I'd like to change into

some looser clothes," I told her. Without leaving the room, I changed into sweat pants and a T-shirt, while she stretched out naked on the couch. The lights were doused, but several candles were burning, and her exquisite ebony flesh glowed in the candlelight.

I straddled her lower back and settled my ass against her firm, rising buttocks. As I kneaded her neck muscles in my strong hands, she let out a low, sensual moan.

I worked on her neck, shoulders and back for almost half an hour. Then I kneeled beside her and squirted some oil on her ass cheeks. As I rubbed the oil into her skin, my hands explored her inner thighs, which were already wet with the sweat of her hot, hungry cunt. She slowly but voluntarily stretched her legs apart until I could see the flesh of her pussy lips. The contrast of her pouting lips against her dark, smooth thighs caused my cock to swell dramatically.

My fingers worked deeper between her legs until they brushed the surface of her glistening labia. She rocked her pussy over my hands, urging my continued attention in that area.

When her legs were spread as wide as possible, I lowered my face between Mrs. Watson's thighs and continued the massage with my tongue. Moaning loudly, she pushed her vagina against my mouth. Her pussy juices flowed freely as my tongue wrestled with her stiff, slippery clit.

I ate her pussy for another 20 minutes, until she rolled onto her back and gasped, "Rub my tits... now!" She had humongous boobs, and her nipples stood tall. I straddled her waist and turned her wish into a command. My hands roamed across her soft, brown globes, mashing them together and teasing her cherry nips. I suddenly noticed Mrs. Watson staring at the bulge in my sweat pants. There was a stain where some pre-cum leaked out of my stiff prick.

"I want to see you come on my titties, Alex," she moaned.

I loosened my pants and pulled my cock free. I jerked off with my right hand as my left hand caressed the luscious tit flesh below my dick. It didn't take long to reach a climax, especially with Mrs. Watson purring about how much she wanted to see me shoot my jizz on her tits.

After we got dressed, Mr. Watson rejoined us. We talked a little, then he ushered me out of the apartment. On the way home, I had visions of earning big bucks in the sensual-massage business. But during the month my ad ran, I only had two other customers, along with two more appointments with Mrs. Watson. I never fucked any of my customers, but oral-genital massage highlighted each encounter.

Numerous ladies called to ask all sorts of questions about my service, including my cock size, but most of them would balk when it came to setting up an appointment.

I left town for the summer, but I've been thinking about renewing the ad since I've returned. Even if I only get a few calls, I can't think of a better way to earn 100 bucks an hour.

"Well, so much for the foreplay... let's fuck."

# SEX CULTS

"I find the odor of death very erotic. There is this attraction to blood. I enjoy swallowing blood."

In the deepest corner of Russia, a cult of religious fanatics, the Skoptsis, chop off their testicles to prove their allegiance to God. In many parts of Africa and the Middle East, a clitoridectomy signifies a young woman's maturation into nubility (these girls had better hope that Sigmund Freud was right about the vaginal orgasm). Women of a pygmy tribe in the Congo stretch their labia to knee-length with specially designed plates. A Buddhist boy in South-east India may have his penis stretched with a weight for months, until it is lengthened and rendered numb; the boy can no longer become hard but is presumably capable of a more intense orgasm.

Weird? Perhaps. But weirdness, like beauty, is in the eye of the beholder. For a frat man, weird might be wearing an olive branch to a beer bust. For a scat man, weird might be chasing the main course of steaming shit with a side order of smegma.

The cults and organizations described below are a few of the wilder sex-related organizations extant in the United States. Some of these groups have been hounded by the FBI or other police agencies anxious to

squelch such practices. Rumors exist of other even more extreme and violent sex groups that have been driven underground through fear of arrest and suppression. You will find, however, that the sex cults below exist outside the circumscribed bounds of normalcy. A weird sex cult's notion of hot sex may be everyone else's idea of a good emetic.

## NECROPHILIACS ANONYMOUS

In France, an orgasm is called a *petit mort*—a little death. In *The Sexual History of the World War*, sex researcher Magnus Hirschfeld noted the sexual excitability of women during times of war; fucking and carnage seem to go hand in hand. The prevalence of auto-erotic suicide and, to a lesser extent, *lustmord* (lust murder) further points to the sex-death equation.

Necrophile Leilah Wendell, who headed the now-defunct American Association of Necrophilic Research and Enlightenment, goes a step further. She claims to have fucked the Angel of Death. Wendell's 1988 tome, *The Book of Azrael*, a "true story," describes an encounter with a corpse in a mausoleum which began to animate, responding to her throes of passion. She describes her

gaunt soulmate as having transported her to worlds beyond the sexual-physical plane, to an envelope beyond space and time—the fourth dimension.

Wendell's necrophilic association provided a networking outreach for the morbidly inclined. Its newsletter was filled with necrophilic bibliographies and psychiatric counseling to those who felt troubled by their clammy amours. The association closed in 1984 because "people wanted it to be a necrophilic dating service," reveals Leilah. "If some guy wasn't getting a live girl, he'd contact us because he'd think he could get a dead one." It was through the auspices of the necrophilic association, however, that Leilah met the infamous Karen Greenlee.

Karen Greenlee is a necrophile who made national headlines in 1979 after body-snapping and enjoying a corpse supposedly destined for the cemetery. Karen worked as an apprentice mortician in the funeral industry for a couple years and had enjoyed herself with dozens of dead young men.

"I find the odor of death very erotic," says Karen. "There are death odors and there are death odors. Now you get your body that's been floating in the bay for two weeks or a burn victim—that doesn't attract me much; but a freshly embalmed corpse is something else. There is also this attraction to blood. I enjoy swallowing blood. When you lie on some bodies, blood comes out of the mouth. Sometimes you can get blood out of the incisions if they haven't put incision sealer into the body."

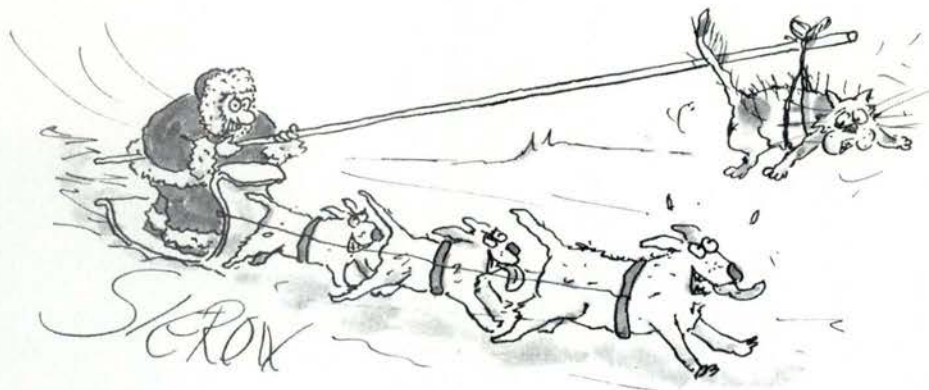

Karen's trial put a crimp on her sexual practices, though she's always observant for new chances. Recently, shock-jock Sally Jessy Raphael refused to televise a program she taped with Karen as her guest. "If I had repented my 'terrible' deeds, I'm sure they would have been glad to show it. But I'm not going to repent something that's so much a part of me," Leilah Wendell, meanwhile, continues to turn out art and literature reflecting her research and actual encounters with death.

## NORTH AMERICAN MAN/BOY LOVE ASSOCIATION

The North American Man/Boy Love Association (NAMBLA) is the only above-ground organization of pederasts in North America. That's right. Pederasts.

The NAMBLA preamble, printed on page two of the slick monthly *NAMBLA Bulletin*, puts forward its boy-fucking aims: "The North American Man/Boy Love Association works to organize support for boys and men who have or desire consen-

*"Take the trash on your way down...."*

The NAMBLA Bulletin suggests fucking and fondling prepubescent male genitalia.

sual sexual and emotional relationships and to educate society on their positive nature. . . . We believe that sex is good and wholesome and that it is an important medium of personal expression. . . . Differences in age do not preclude mutual, loving interactions between persons any more than differences in race or class."

There is a strained emphasis in the *NAMBLA Bulletin* to focus on liberation activism, favorite child actors and photos of kids in action that suggest what's really on their members' minds: fucking and fondling prepubescent male genitalia. Explains activist member Robert Rhodes, the target of a failed 1981 FBI probe into kidnapping and child abuse, "NAMBLA is an almost entirely Apollonian organization. The degree of oppression in this country on this issue is such that what this organization might ordinarily do—such as share experiences together—simply cannot safely be done. So we tend toward the theoretical, dealing with the politics of the issue rather than personal experience."

Besides the *Bulletin*, NAMBLA members can order from among dozens of

books listed in a catalog. These include: fiction on the joys of prepubic sexual partners; activist tomes such as *Pedophilia: The Radical Case* by Tom O'Carroll, who was apparently sentenced to jail for his pro-child sex views; and pamphlets like *Boys Speak Out on Man/Boy Love*, which contains "statements by more than a dozen boys regarding their experiences with men. . . ." NAMBLA members, who are nearly 500 in number, meet once yearly, usually in San Francisco or New York City.

Public reaction to NAMBLA is heated. The majority of Americans have trouble believing that gay sex with minors is "therapeutic" and "loving." Robert Rhodes responds to the argument that man/boy sex corrupts minors: "People who use that argument have an idealized picture of what a child is. Real children don't necessarily conform to that picture. Age is not a good determinant of what their knowledge or desires are. Some kids want to have sexual experience. Some don't. With the Moslems or the ancient Greeks, they thought that at least with men and boys [having sex together], you weren't going to get anyone

pregnant, and you didn't destroy the marriageability of a girl."

There is no general agreement to the lowest allowable age of sexual contact between men and boys. According to Rhodes, there is not much interest in infants and toddlers. "As part of people's actual desires, they seem to tail off at the ages of seven or eight, at least as far as I can tell."

[NAMBLA, 537 Jones Street #8418, San Francisco, CA 94102.]

## THE FOOT FRATERNITY

"A thing about the foot fetish is that on the beach in summer it's heaven. Here's all these great guys with nothing on their feet. It's more erotic for us to see this than them without their suits on. Or a guy who slips his shoes off at a restaurant because his feet hurt. I can practically have myself right there, looking at him." Feet never fail Doug Gaynes, president of Cleveland, Ohio's Foot Fraternity, an arch-supporter of a part of the anatomy that the rest of us may find as sexually exciting as a callus file.

For Gaynes and his 3,000 Fraternity members, feet is a way of life. For the \$30 annual membership fee, foot fraternizers receive large quarterly rosters containing foot-worshiper contacts, videotapes, audiotapes and "hot scene" photo-sets for sale, illustrations by foot artist "Etienne" and clippings of foot news worldwide (Ann Landers to a foot fetishist, pictures of a town named "Footville," etc.). Sample Foot Fraternity article: "The Brat Pack: Pretty Faces . . . Pretty Feet." From the article: "*That Was Then, This Is Now* (1985)—Oooh, boy! Two-thirds of the way into the film, best pals Emilio Estevez and Craig Sheffer tenderly remove each other's shoes and socks. Nothing happens beyond that (after all, what would all those pimply, prepubescent girls in the audience think?), but keep a Kleenex ready, anyway!"

For straight foot-rhapsodizers, *Leg Show* or *Fetish Times* are two of the specialty mags catering to their interests. There appears to be no straight foot-organization operating at the moment. But, emphasizes Gaynes, "A lot of straight men have this macho thing, and to have someone kneel down and kiss their feet gives their machoness a real boost. It can be easy sometimes to get straight men to allow you to smell their feet, kiss their feet or lick their shoes—whatever. For many guys the sensation feels great."

The Foot Fraternity appears clean-cut, even yuppie. "We have many members who are married," says Gaynes, "many professionals who will join under a pseudonym to protect their careers. I'm surprised at the number of attorneys, teachers, Catholic priests. We are an affirmation group. I'm constantly on the phone with people letting them know their interests are okay. I

tell them: 'What about straight men, when all they can talk about is a woman's big boobs? They're talking about a body part. So it is okay to like feet.'"

How is it that someone fixates on feet to get off? Explains Gaynes, "A fetish area is established early in one's life, when one is three or four. My experiences go back to early childhood with an older brother who was six years older. When I was five years old, he'd rough around with me and end up by pinning me down and having me smell his socked feet. That particular scene repeated itself many times until I was 12 or 13. He liked to dominate and feel that power to have his little brother smell or kiss his feet or polish his shoes. I liked being forced to do it."

[The Foot Fraternity, P.O. Box 24102, Cleveland, OH 44124.]

## **OBESE CERES ORGANIZATION (O.C.O.)**

Not to be confused with the politically active NAAFA (National Association for the Advancement of Fat Americans), the O.C.O. is a semisecret occult group whose stated purpose is worship of the "Great Mother Goddess." Set aside the arcane ex-

planation, and what you have is a group (mainly men) who has a hankering for force-feeding and maximal rotundity in their sex partners.

Explains O.C.O. guru, Frater Damien, "The Great Obese Goddess was a widespread image on Earth from 2,000 to 1,000 B.C. The best explanation of this is in Plato. He described the primordial human being as an androgynous sphere, both male and female. And he claimed that somewhere in the primordial past that sphere had been split in two. A return to obesity is a return to the Mother—a return to the origin of the universe—which in and of itself is a mystical state of awareness."

According to Frater Damien, the fat fetish also manifests itself in the feeding fetish. Would dining in a restaurant get him off? "Oh, yes. More so than going to bed." Like other fetishes, Damien cautions that complete satisfaction can never be realized "in the flesh." "But," he adds, "there are people in the O.C.O. who have come very close to realizing the maximum of their fantasies. They found women who were willing and interested in eating extreme

amounts of food until they would fatten up to points of *incredible amplitude*. One of the girls is now upward of 1,000 pounds.

"There is a sadomasochistic relationship between the feeder and the feedee. The person being fed becomes the passive recipient who is bound by food and the flesh. Though, strangely, the feeders tend to be submissive types of men. . . .

"The O.C.O. has three degrees. The Priest and Priestess enter an altered state of awareness and visualize a certain ritual which is not acted out on Earth; it's acted out in the mind. They meet the Great Goddess. In the 2nd Degree they meet her daughter, who is the Goddess of Wisdom. In the 3rd Degree, they meet Bacchus and reach Divine Intoxication."

Ironically, one of the goals of the O.C.O. is to finally remove the fat fetish through "pathworking." "The archetype of Sophia, the Goddess of Wisdom," remarks Frater Damien, "is voluptuous, not obese. But all the rituals for Sophia are still a matter for nourishment—no longer nourishment of the body, but nourishment of the soul. In medieval paintings, you see representations of Sophia breast-feeding philosophers. So you see, it has its own kinky aspects."

## **JACK'S NUMBER TWO**

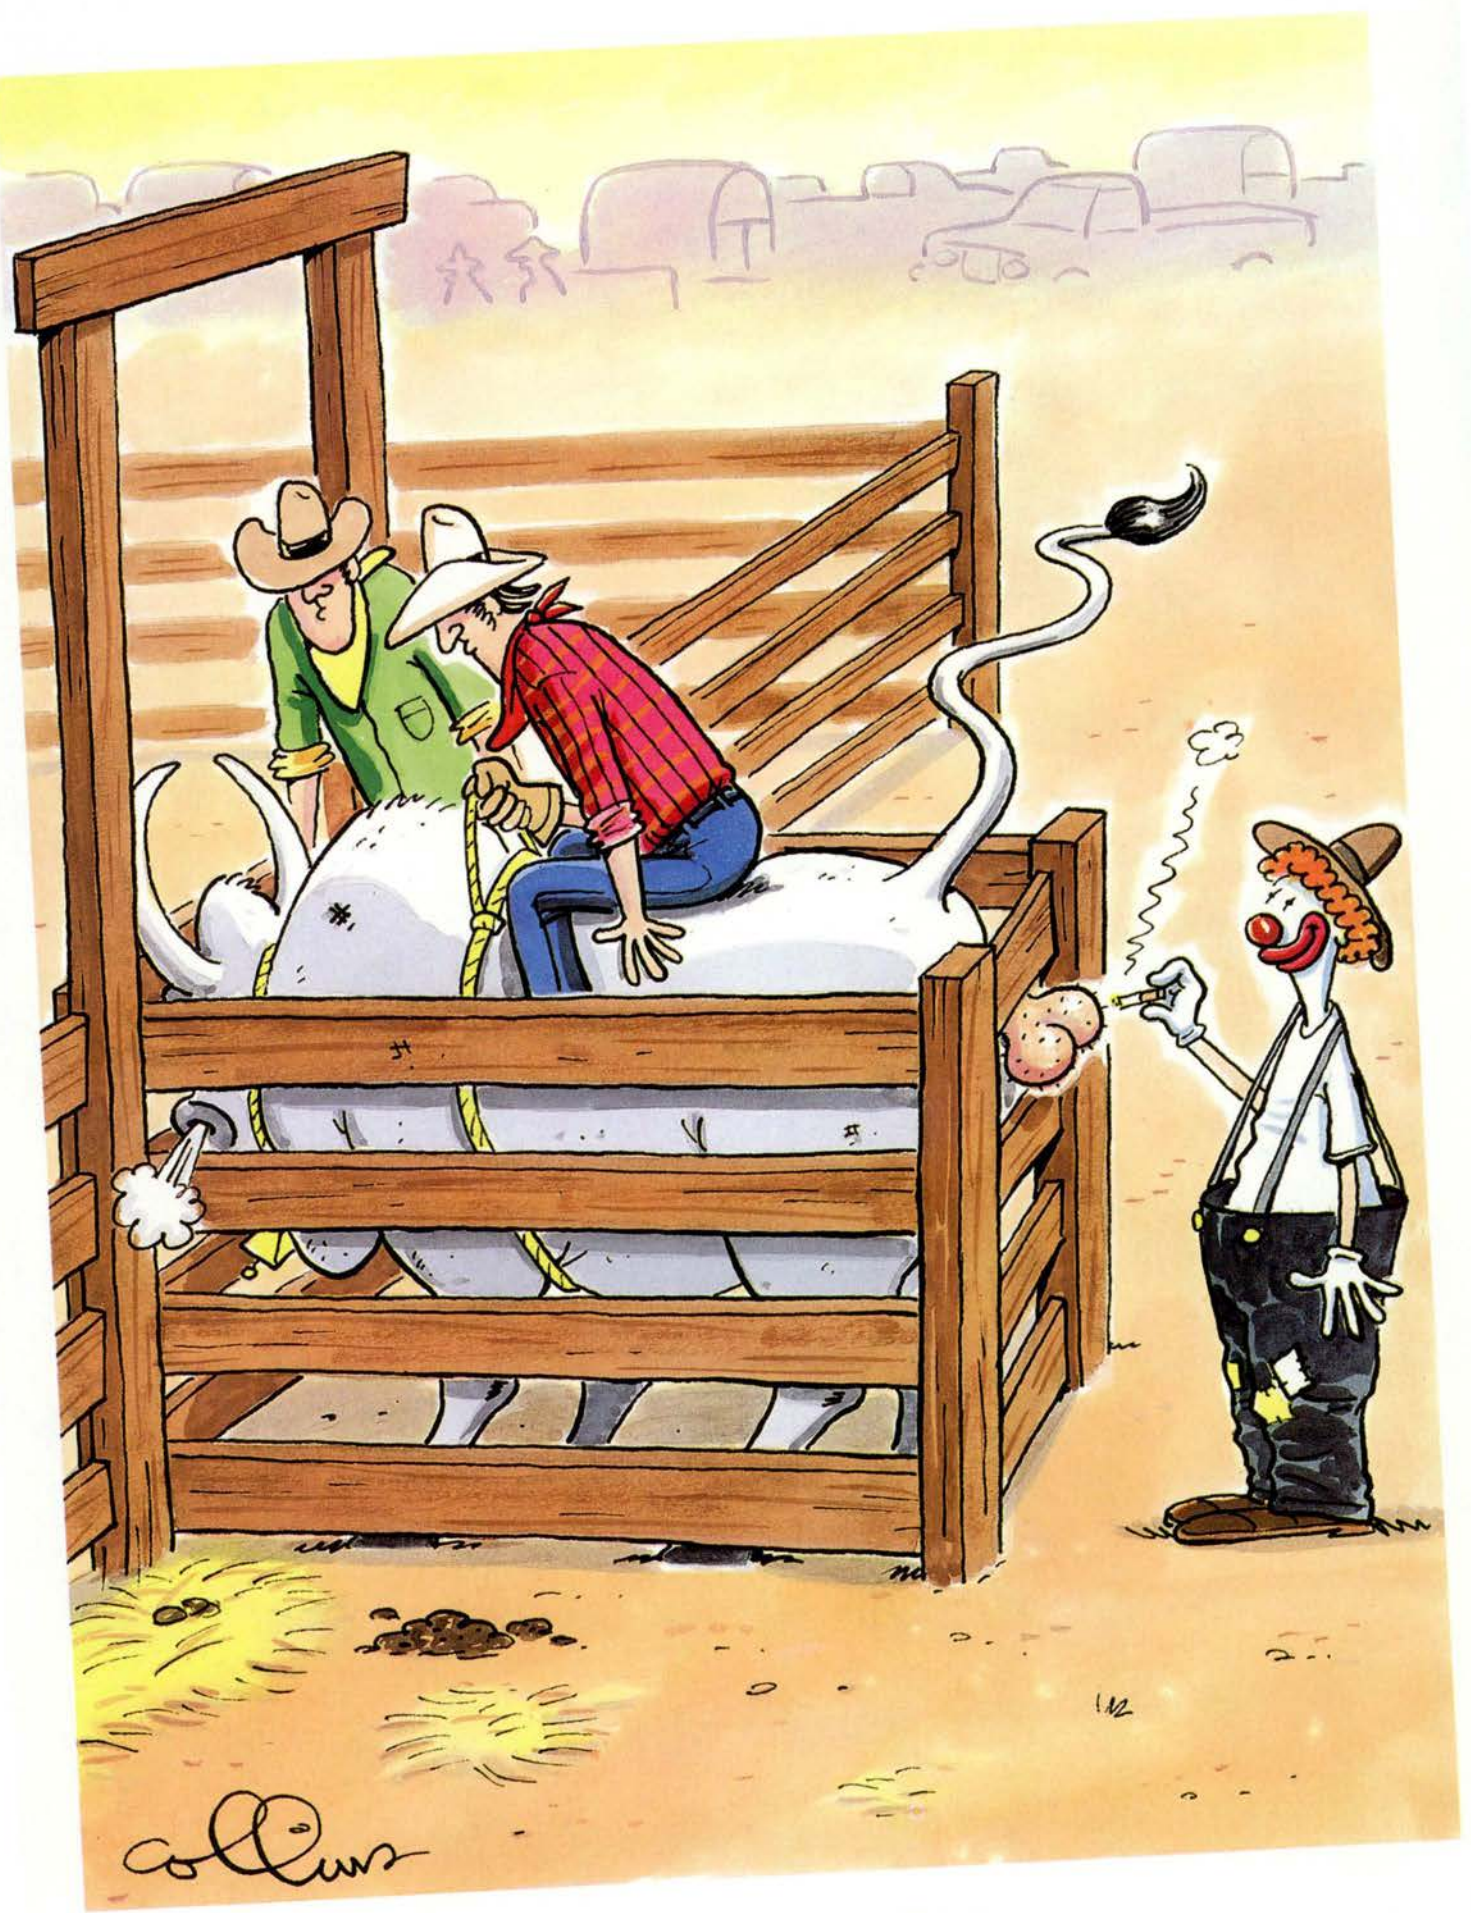

"You've seen my drawings in *The Shit List*, now meet the crud-hungry gourmet behind them. I'm anxious for some constructive organic feedback from other hot turd factories out there. Fantasies, fetishes, tubs of bladder brew, hot shit chutes pumping out hard dark chewy ass candy or warm piles of dark brown slimy cream. Let's wallow in it and lap it up. My favorite music is slow sloppy rank fart. For snacks there's always a gooey green wad of snot, or the scrapings off your cheesy cock on a cracker. Life's a banquet, right! Daddies and sons, pigs and other dung-hungry animals should let me know where you're at."

Jack's Number Two, an organization devoted to the care and nurture of the coprophilously inclined, exists as living proof to the verity of the famous epigram, "You are what you eat." The paragraph above is an excerpt from one of the milder entries in the ca-ca cult's biannual newsletter, *The Shit List*. Besides contacts from "dung-hungry animals," *The Shit List* offers dietary suggestions.

"If you want thick, dark, solid turds try a couple of teaspoons full of Pepto Bismol four, six and nine hours before the session. A couple of hot cups of coffee should get those hard man-turds moving out of your shithole. Or get your hungry bottom to shove his tongue and fingers right up there;

Candy's a funny name for a cowgirl. She's the first to admit it. "My folks wanted a clean little girl who'd stay indoors all the time and wear dresses," she scowls. "I wanted to round up mustangs, break all the horses and buck the broncs."

Illustrations of ecstatic-looking fudge-munchers, advertisements for other organizations such as "Total Ass Involvement League" and short stories, such as "The Constipated Construction Worker" and "Nam Shit-Rollin'" fill out the remainder of the vertically folded, brown, 8½ x 11 newsletter. The format was intentionally designed, says Zack, Jack's Number Two's former president, to "hold in one hand while your other hand is engaged."

Jack's Number Two has been operating since 1981. "The guy who started this club," says Zack, "was a guy named Jack. It was something he always wanted to do—have this kind of club. He died of AIDS in December of 1983. I helped Jack put out an issue or two; so I knew what to do and how to do it. And I started it up a few months after Jack died."

"Most of the guys are real mature," opines Zack, "they've worked it through and said, 'Yeah, this is important to me.'" *The Shit List* contacts span beyond the sim-

ple pleasures of offal hors d'oeuvres, including such sumptuous repasts as boogers and vomit. "Yeah, yeah," reflects Zack, his voice receding into a faraway, reflective tone. "The newsletter can be expanded so much more into so many other things. But I do try to provide education." Besides *The Shit List*, Jack's Number Two members can avail themselves of information about parties in the Los Angeles and San Diego areas. "There's a lot of preparation that goes into these parties," says Zack. "We've got to know how many tops are coming and how many bottoms. There are so many varieties. Some are into heating it. They like it hot, the aroma, and the smearing. And then there are the people into freezing it. . . . Lotta guys got to have drugs to get into a scene. A scene will last from a few minutes up to hours. Some people get into enemas; some people get into throwing up. Motor oil. . . grease guns. . . your imagination is your limit."

Readers may wonder whether shiteating is a dangerous pastime. "My urologist says, 'What you pick up will be a parasite,'" reassures Zack. "You will get sick,

you will come in, and I will give you the right medicine to get you well again.'"

## **BROTHERS UNITED FOR FUTURE FORESKINS (BUFF)**

BUFF is not a sex club. It doesn't hand out membership cards or have meetings. And though, as their newsletter states, "No method can make the penis as good as new," BUFF's research and development arm has uncovered a slow, nonsurgical method to restore the foreskin to the circumcised.

According to President Mark Waring, the benefits of following the BUFF program are more than aesthetic. "There is an increase in sensitivity. It's like putting a Band-Aid around your finger. If you leave it there and then pull it off, you'll have increased sensitivity there. Circumcised men don't have the sensitivity intact men have."

Waring came upon his rescue plan for the unhappily circumcised "while I was watching a program on television showing these African women with their lips stretched to grotesque lengths. I was upset due to my own circumcised status, and I thought, *why can't you just restretch your foreskin?*" We found literature on the subject dating back to before Christ. The ancient Jews used heavy copper weights to stretch the skins back over the heads of their penises so they could avoid paying the Roman tax. And during Hitler's time, there were Polish surgeons who were doing restorations to save some of the Jewish children from extermination.

"We started experimenting with different devices, and we came into a lot of success. We found that the skin was stretching beautifully, and we have many members who have nice foreskins that look natural. And you'll be seeing people in the near future with very long overhangs."

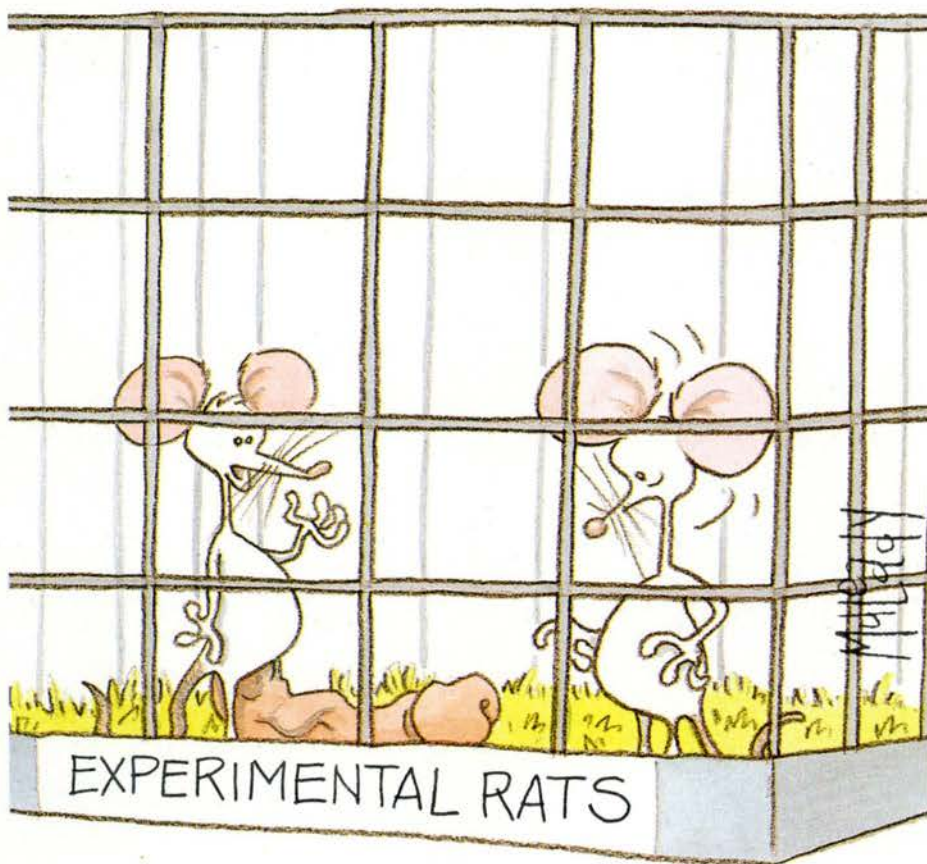

BUFF members receive a 64-page, illustrated book titled *Foreskin Restoration (Uncircumcision)*. The book provides instructions on the "now-famous" BUFF method of restoration (using tape, ball bearings, silicone cups, etc.), as well as the history of uncircumcision and psychological counsel to members grieving over their lost skins.

## **DIAPER PAIL FRATERNITY**

Many women have been complaining lately of a growing tendency for men to become wimps and babies. The existence of the Diaper Pail Fraternity—a group of men dedicated to soiling their diapers, chewing on pacifiers and blubbing in their cribs—goes far to prove the validity of their complaints. DPF's president, "Baby" Tommy Siegel, champions the adult male's right to

# WHEN is PSYCHOTIC

It's no misfortune to be fatherless when the father is Charles Rothenberg, Santiago Tamayo, Bart Dobben, Frederick Strianese, Nathaniel Grady, Roger Lazarovich, Richard Galdon or George Clarke. These fathers, like paintings, need to be hung to be appreciated. Each has graphically demonstrated that no abuse is so hideous or so utterly appalling as that inflicted by a father.

Fatherhood is at times a stressful and hapless responsibility, but that doesn't justify vicious attacks on the kids—unless your beliefs coincide with those of Rothenberg, Tamayo, Dobben, Strianese. . . .

## The terrified cries of the little boy awakened people on both sides of Room 139.

### ROTHENBERG PROVERB:

*"Better the child weep than the father."*

It was the last week in February of 1983. Charles Rothenberg kidnapped his six-year-old son, David, and took him from New York to Southern California, promising the little boy an amusement-park holiday—Disneyland, Knott's Berry Farm, Magic Mountain.

It was never to be.

March 2, 1983. David and his arson-prone father moved into Room 139 at the Buena Park Travelodge. Rothenberg registered under the name of Mark Stevens and backed his rented, white Chevrolet Cavalier into the space near his room.

"His was the only vehicle backed into a parking space at the Travelodge," says a Buena Park police officer. "Obviously, he was plannin' to leave in a hurry."

Father and son watched television as dusk gave way to darkness.

No abuse like that of a father. . . .

David, wearing blue pajamas, was sound asleep in the room's queen-size bed. He slept peacefully, aided by the sleeping pill given to him by his father, never knowing that

his childhood was about to come to a flaming end.

Another Travelodge guest glanced out her window between 11:50 p.m. and midnight to check on the weather. "I saw a white car backed into the stall directly in front of Room 139," she relates. She claims she noticed it "because the door on the driver's side was open and the engine was running."

Rothenberg exited Room 139, carrying a large white container. He calmly walked to a trash dumpster and tossed the container inside. "Then he returned to Room 139," the witness says, "and bent over as if to pick up something just inside the door."

Never knowing he was being watched, Rothenberg stood up, closed the door and scurried to the white Chevy Cavalier.

"We eventually determined," says Sergeant Dick Hafdahl of the Buena Park Police Department, "that the container had been filled with kerosene—which Rothenberg had emptied throughout Room 139. And," Hafdahl continues, "he did not bend over to pick up something in the

room. He bent over to strike a match."

Rothenberg slammed the door of the Cavalier and sped through the parking lot toward Disneyland.

"When the car was about halfway through the lot," continues the witness, "I heard a loud explosion, and the window in Room 139 blew out. Flames shot through the shattered glass."

Six-year-old David was trapped inside the room, engulfed by the blazing inferno ignited by his father.

Tears well in her eyes when she says, "I could hear screams coming from inside the burning room."

The sounds of the explosion and the terrified cries of the little boy awakened people on both sides of Room 139. A passerby kicked down the front door. Flames leaped out at him, forcing him to retreat. Someone else ran up with a fire extinguisher and sprayed the room in frantic desperation.

David's pitiful, painful cries for help suddenly stopped. He lay on his back on the floor at the foot of the bed, his hands positioned in such a way as to indicate that he had been trying to claw his way over the melting carpet toward the front door.

A Chicago businessman credited with saving David's life admitted in an interview with the *Los Angeles Times* that he is "still haunted by visions of the charred little boy" as he was dragged through the flames and 1,000° Fahrenheit heat to safety.

"It's inconceivable," he would later say, "that a father, *any* father, would deliberately try to burn his son to death."

Arson, however, was no new venture for Charles Rothenberg. He had often resorted to fire as a way of venting his anger. A mysterious fire, for instance, nearly destroyed his place of business (laundromat) when he decided that he had made a mistake in buying it. Another mysterious fire burned three flights of stairs leading to his ex-wife's apartment—at a time when both she and David were inside.

"Arson is the crime of a coward," said Billy McIlvain, "so it is only natural that Charles Rothenberg would resort to it."

McIlvain, a retired San Gabriel police officer, spent many hours with Rothenberg and knows him well. "He's still a threat to David," he said, "and to Marie, his ex-wife. Rothenberg is not sick, he's psychotic—and that makes him dangerous."

Others agree.

"Rothenberg? The word *manipulator* comes to mind," offers Louis Morgan, who shared a cellblock with Charles. "He's a sick, gutless, manipulating coward."

But David, the fighter his father is not, refused to go down with the flames. With third-degree burns over 90% of his body, the boy fought back and continues to fight

back. In the truest sense of the word, David Rothenberg is a *survivor*.

As for his father?

"The bastard [Charles] jokes about it now," claims Morgan, "tellin' everybody he's going to work for the fire department when he's released. He's an asshole."

And he is a soon-to-be *ex-convict*. He is scheduled for parole even as David, now 13, continues to undergo delicate and painful surgery to correct the damage inflicted on him by his father.

If he is released as scheduled (February of 1990), *Charles Rothenberg will have served less than six years in prison for a crime that killed 13 years of a boy's childhood.*

"I still love my son," Rothenberg croaks, pathetically trying to bring tears to his eyes. "I still love my son."

Sorry, Charley, but it is a principle of human nature to *hate* those whom you have injured. Such hate is forever irrevocable.

Despite the cold-blooded, hideous attempt on his life, David Rothenberg managed to survive.

Not so with brothers Bartley Joel Dobben and Peter David Dobben.

## DOB BEN PROVERB:

*"Better it is to live without children than to have them that are ungodly."*

The life of Bartley James Dobben was much like that of everyone else on Main Street, USA. He mowed the lawn, tinkered with the family car, walked the dog, bought his wife flowers on Mother's Day—and he doted on his two young sons, Bartley Joel, two years old, and Peter David, 13 months.

There was, however, a dark side to Bart Dobben—a *very* dark side. He clung to a desperate religious vision and had a closeted history of bizarre behavior that made him different from anyone else on Main Street, USA, and led to the deaths of his two sons.

"I read the offense report when he [Dobben] was brought before me," remembers Michigan Judge Edward Farmer Jr., "and it was such a hideous crime that I almost automatically decided I would have to determine his [mental] competency to stand trial."

According to law-enforcement officials in Muskegon, Michigan, Dobben took his two boys to the Cannon-Muskegon Corpo-

ration foundry where he worked in production, operating a huge vessel that purified and treated 10,000 pounds of molten iron at a time to produce various alloys. In essence, Bart Dobben operated a giant ladle.

"I should have seen it coming," agonizes Susan Dobben, Bart's wife and the mother of Bartley Joel and Peter David. Blaming herself for what happened to her sons, Mrs. Dobben explains that she should have realized Bart didn't have both oars in the water when he took the family on a harrowing drive down twisting roads at speeds of up to 80 miles per hour "because he felt God told him that our boys were in danger."

Dobben's excursion to the Cannon-Muskegon plant was not to give his sons a tour of Dad's workplace. His purpose was to drop both boys into the giant ladle he so often used.

"He then heated it to 1,300°," says one of Dobben's co-workers, "while his wife, unknowing, waited outside in the family car."

It was Thanksgiving Day.

Police first speculated that the boys had been thrown into a blast furnace, but a former Muskegon medical examiner ruled out that possibility. "The boys died of suffocation," said the examiner, "which is consistent with being put inside a heated, enclosed space." He believes that the ladle was probably heated *after* the two infant boys had been dropped inside.

Said the father whose Thanksgiving Day offering was the lives of his two sons: "God is going to come soon and take care of things."

Right, Bart—whatever you say.

Susan Dobben, haunted by guilt and pictures of the boys' badly burned bodies, sought solace from her parish priest—and got help.

In Los Angeles, 16-year-old Rita Milla sought solace from her parish priest—and got fucked. *Literally.*

## TAMAYO PROVERB:

*"Suffer the children who come unto me."*

A devout Roman Catholic, 16-year-old Rita Milla faithfully attended the St. Philomena Church in Carson, California, a quiet suburb south of Los Angeles. The pretty teenager was actively involved in church functions and "hoped to become a nun," reveals her mother.

Like hundreds of other parishioners, Rita admired and respected the parish priests—particularly Father Santiago Tamayo.

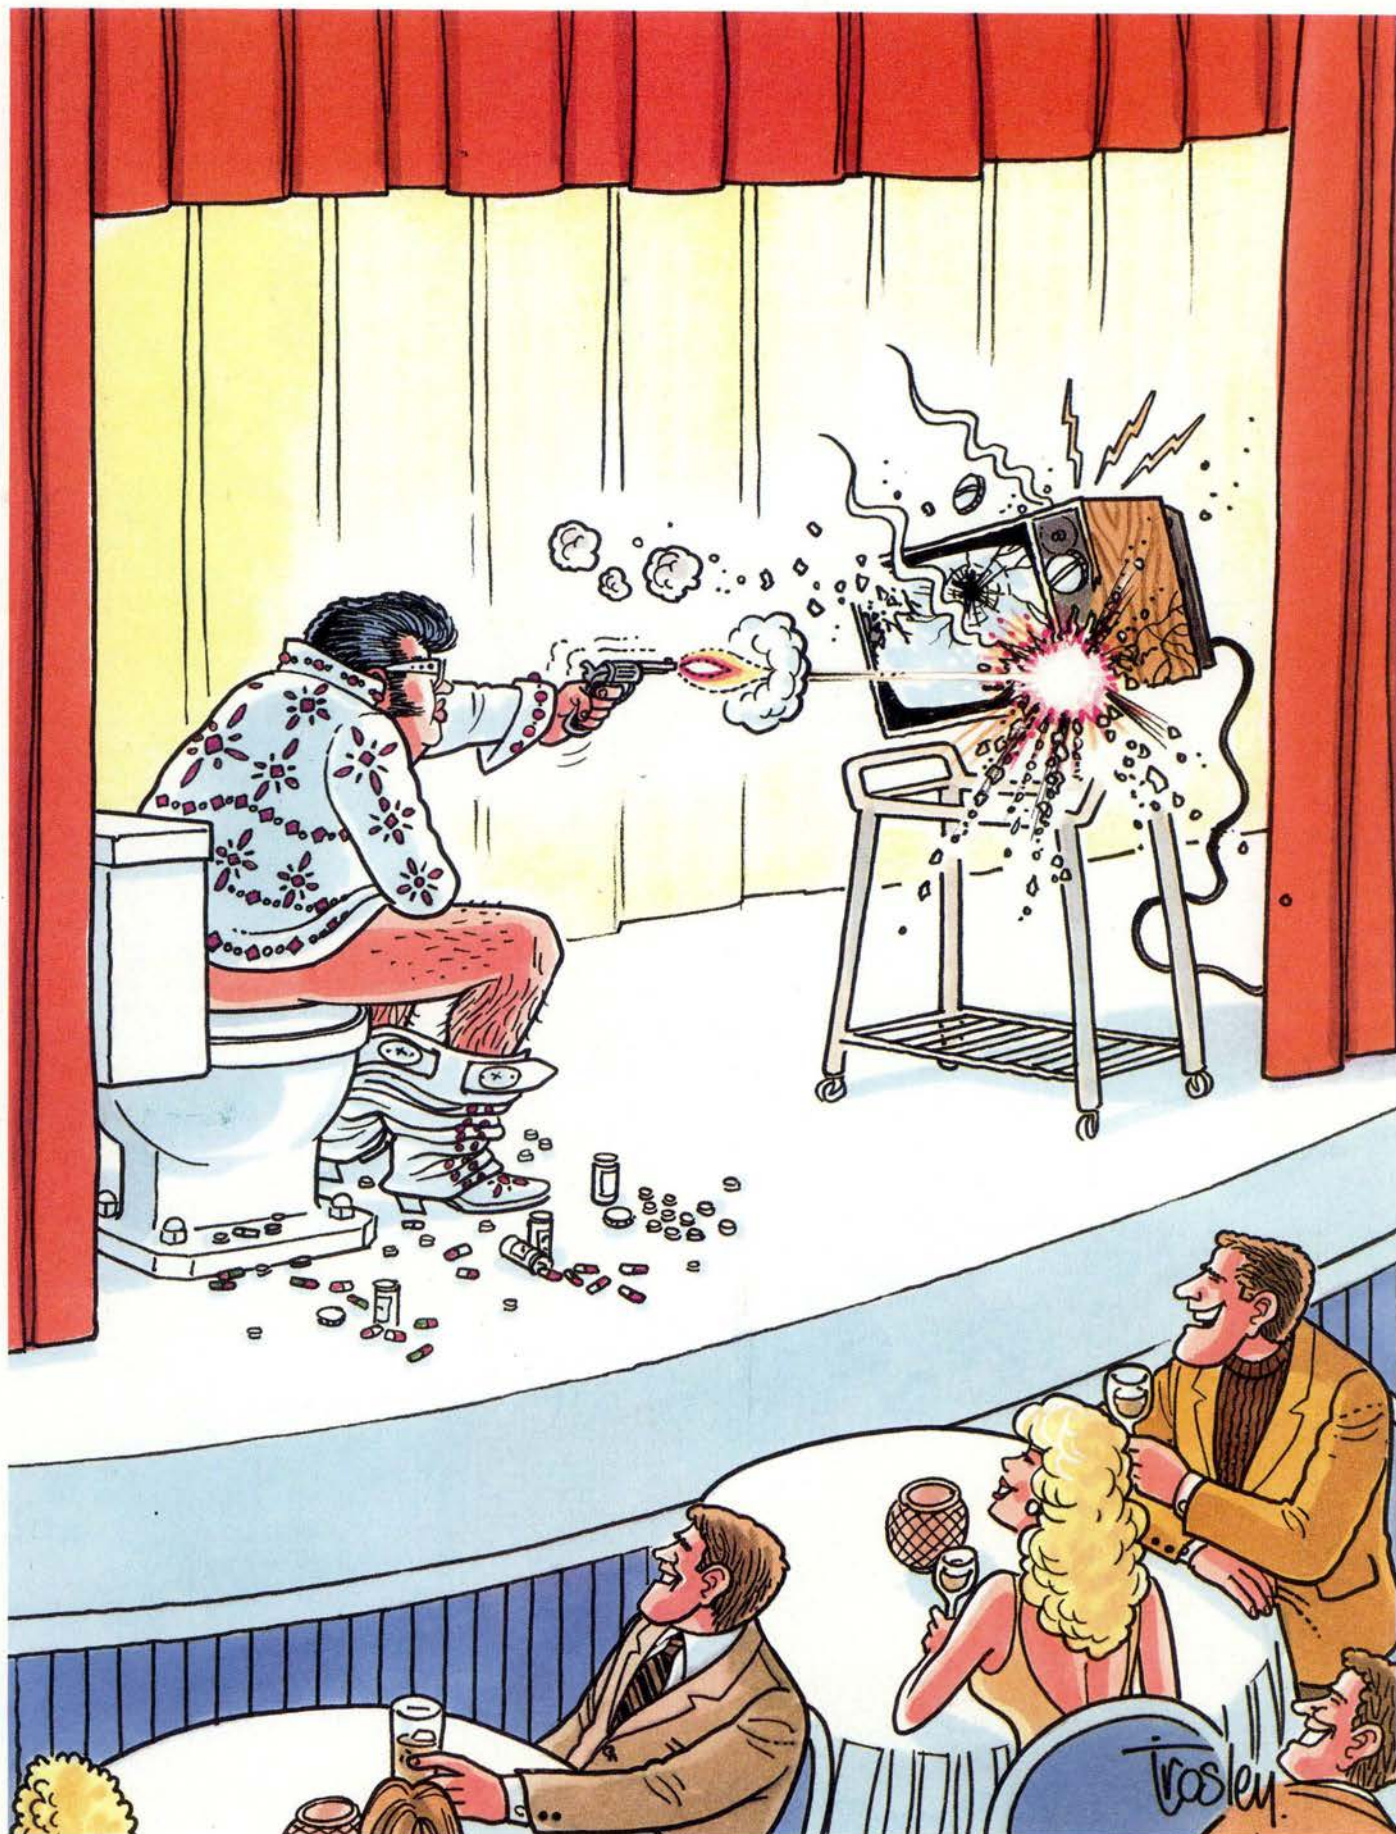

Father Tamayo wasted little time in taking full advantage of the young girl's respect and admiration.

Relying on the "truth in nakedness" ploy, Father Tamayo managed to turn the confessional booth into a hands-on sexual-exploration closet.

"What Tamayo couldn't get in the back-seat of a car," theorizes Jack Aquino, a St.

"Hey, quit hoggin' all the covers!"

*"Best Elvis impersonator I've ever seen!"*

# DADDY

**McNutt caged his kids in their rooms, releasing them only for his own sexual gratification.**

Philomena parishioner, "he was apparently getting from Rita in a confessional booth."

*Forgive me, Father, for I have sinned. . . .* In lieu of a Hail Mary or two, Father Tamayo seemingly promised *atonement and forgiveness through finger-fucking.*

The worst, however, was yet to come.

Parish priests, guided by Father Santiago Tamayo, formed a conspiracy with the goal of using their positions as priests and their confidential relationship with the 16-year-old girl to entice her to have sexual intercourse with them and other priests. Intending to undermine Rita's will by exercising undue influence over her, the conspiracy was accompanied by the admonishment to her *not to tell anyone.*

"Tamayo and other priests began having sex with Rita," claims Aquino, "after they had apparently convinced her that the acts—masturbation to oral copulation to fornication to sodomy—were ethically and religiously permissible."

Father Tamayo and other priests feasted on a regular diet of sexual satisfaction with the 16-year-old, with the acts taking place at the church and in local motels.

Then came the inevitable tragedy.

Rita announced that she was pregnant.

Any possibility of a scandal was immediately aborted when Father Tamayo secretly and swiftly shipped Rita from Los Angeles to the Philippine Islands where, in the run-down shack of the Father's poorest brother, she could have her baby in secrecy. The always thoughtful Tamayo told Rita's parents that she was going to the Philippines to study medicine.

During her seven months in the Philippines, the then 18-year-old received less than \$450 for support from Tamayo and the other sexually satisfied priests. She became malnourished and ill, and she nearly died while giving birth.

With a few priests, parishioners are often told to get down on their knees to pray. With Father Tamayo and others like him, the "get down on your knees" routine takes on an entirely different meaning.

## IN GOD WE TRUST

Others who shared Father Tamayo's worship of lust include Father Frederick Strianese, who was shot to death by a teenager who took exception to the good Father's

homosexual advances, and Father Richard Galdon, who pleaded guilty to sexually assaulting three boys, ages ten to 12, while he was assigned to the Our Lady of Good Counsel parochial school in Newark, New Jersey.

Not to be outdone, Reverend Nathaniel Grady was sentenced to 15 to 45 years in prison after being convicted of rape, sodomy and sexual abuse. Reverend Grady's victims? Four boys and one girl, ages three and four.

Forgive them *not*, Father, for they know *exactly* what they do.

Likewise, Messrs. Clarke, Lazarovich and McNutt.

## McNUTT PROVERB:

*"Families that play together, stay together."*

"I thought it would be fun to take," grinned 38-year-old David McNutt, referring to a Polaroid print of his three-year-old daughter posing naked and lewdly exposing her vagina. Ashtabula County (Ohio) detectives had discovered the picture on top of McNutt's refrigerator.

McNutt freely admitted to having sex with each of his three children and to having forced them to perform acts of oral copulation from the time they were infants.

According to police reports, McNutt caged his three kids in their rooms, releasing them only for meals and for his own personal sexual gratification.

"I don't see where I did anything wrong," said the meek, mild, pathetic McNutt. "They're *my* kids, and I should be allowed to raise them in any way I think is best."

Ashtabula County prosecutors thought otherwise and filed criminal charges against him.

McNutt pleaded guilty to *one* count of child rape and is today serving a prison sentence of ten to 25 years in an Ohio state penitentiary.

Although she has been emotionally maimed for life, McNutt's youngest daughter managed to escape without suffering a physical battering.

The same cannot be said for 2½-year-old Laura Lynn Lazarovich, the youngest daughter of Roger Lazarovich.

## LAZAROVICH PROVERB:

*"Let thy child's first lesson be obedience."*

As a result of a bureaucratic error, 2½-year-old Laura Lynn Lazarovich was returned from foster care to her father's custody *exactly one month after he had been indicted on charges of twice having fractured her skull.*

In some instances, bureaucratic errors prove to be harmless. In others. . . .

Within days of her return to her father's custody, Laura Lynn was admitted to the Pittsfield Berkshire Medical Center in Massachusetts with her *third* skull fracture.

# AMBER LYNN'S

## Her rectal rosetta flexes in spasms of concupiscence, winking lewdly at the Pope.

There's never anything good on TV when you really need it, laments Pope Morton Downey Jr., popping open another bottle of the Vatican's special brew and flaming up a hand-rolled Havana stogie. Every frequency seems to be either *Pee-wee's Fun-house* ("A dickless neuter," mutters the Pope in abhorrence of Pee-wee.), static cartoons from Japan ("The genre disintegrated with the collapse of the American work ethic," comments Morton Downey Jr. critically, swigging heartily of the Vatican vat's finest grape. "Flat-face Nips can't animate to save their pagan souls."), or reruns of *Gilligan's Island*, episodes the Pontiff already knows as thoroughly as a good Catholic school-boy knows his catechism.

His Holiness could really use a good dose of Ginger's pert, sweater-swaddled hooters and pursed, bee-stung lips. He hasn't had a Sunday off the job in months, and he's looked forward to this comp day as a chance to veg in the Papal chambers.

There's nothing to it but to turn on the VCR, as he's intended to do all along.

The Pope undulates within his swaying robe, voluptuously dances over to a side

cabinet and unerringly reaches behind a stack of Bibles to extract a plain-wrapped videocassette, a double-length bootleg of his favorite porn epic, the Dark Brothers' *Devil in Miss Jones, Parts III and IV*.

He slides the cassette into the slot and deftly wields the fast-forward button until he reaches the onset of Amber Lynn's double-pussy-penetration stunt fuck.

"If this be hell, give me more, more, more," intones the man in a muumuu. "Provided, of course, it be Thy will, God above, most merciful and wise."

Morton Downey squats enrapt, his quivering beak mere inches from the flashing screen. His eyes glint with illicit excitement as Amber slobbers and slurps along her stud duo's shining, bloated staffs. The dudes are superfluous to the Pope. Granted, many in the clerical habit hanker after man-flesh hanky-panky or, better yet, the tender pud-bits of choirboy buns, but penis only appeals to the Pope when it slides within or smears without the blood-full lips—muff or mouth—of a slaving, salivating she-bitch in hyper-heat, which pretty much sums up Amber Lynn.

Amber's eyes roll with the ecstasy of eros as she scarfs schlong while her funky puss flaps are lapped and sucked. The Pope's palm snakes under his hem and folds in a tight fist around his primed piston as Lynn squirms her quim down the length of a turgid tool, her taut, dimpled butt halves scrunching delectably as her puckered pussy slips inch by inch to the base of the stud's prong. Her rectal rosetta flexes in spasms of concupiscence, winking lewdly at the Pope's reddened, grimacing mug. Amber proclaims her desire to have her pussy stuffed with two cocks.

The two pulsating penises slip and slide in a single hole. Amber yelps and moans in a transport of libidinal transmigration.

"My God, my God," chants Christ's Chancellor in seven languages as Amber hops on cunt-choked choad, ululating in a universal language of lust, "why can't they all be Amber Lynns?" The priest de la priest's pummeling escalates to a wad-wrenching frenzy. "Please, Jesus fucking Christ," he shouts, squeezing off his blessed unction as the studs onscreen spew their anointment upon the altar of Amber's writhing torso, "only give a world full of Amber Lynns, and I will praise Your good and name."

Morton Downey's jizz jumps in an arc, splattering upon the TV set, and he falls back on his haunches. He gulps a mouthful of Dago red, pops the limp cigar back in his mouth and plucks some tissues from the box at hand to wipe the emission of his most holy gland from the TV screen.

The Head of the World's Largest Christian Denomination changes out of his ceremonial robes of rank into the ragged garb of a working man. Disguised as a lowly Vatican toilet scrubber, mop in hand and cigar down to a well-chewed nub, the Vicar of Jesus Christ pushes a sudsy bucket past a column of unsuspecting Swiss Guardsmen.

*The brave crusaders seem unusually haggard and drained*, muses the Bishop of Rome, ambling out into the world, just another pisano on a drunken Sunday stroll.

Of all the joys of Divine Office, Morton Downey Jr. treasures these clandestine pussy-patrol forays highest of all. If Morton had known what he was getting into, he never would have prayed for the Pope's job. He'd entreated God for the career change in a moment of maudlin drunkenness while watching a telecast of John Paul's midnight Christmas Mass. Morton Downey Jr. had come out of his alcoholic stupor in a Vatican bedchamber, quickly realizing that God's largess could not be prayed back to normal.

Such was the story of Downey's life since he'd discovered an uncanny knack of getting everything he prayed for. Half the time, whatever he beseeches from the

# AMBERLYNNS

**"So, you're kinky," purrs Amber, having discovered the Pope's primary fetish.**

Lord totally slips the papal mind, until it pops up granted right in his face, totally discommoding him, exactly as Amber Lynn does right now.

"Oh, no," exclaims Pope Morton, realizing immediately the extent of the female race's transformation. "No wonder those Swiss Guards looked so worn out."

A pair of Ambers appears, strutting arm in arm from a corner cafe onto the boulevard. The lithe little beauties bob along the sidewalk, their twin sets of bubble buns twitching provocatively within identically slit red-sequined skin-fit slink dresses.

Pope Downey cannot see their perfectly paired boobies bobbling within their blouse fabric, but he knows just what they look like, judging by the independently suspended breasts swaying and shaking within the strained red sequins of an Amber Lynn striding straight toward him. Her eyes bulge at the sight of the mufti Prince of the Apostles, her lashes bat, and she verges on the cusp of a swoon.

"Oh, Poppa," she breathes, linking her arm in Downey's and sidling her hip up against him. "You're the answer to my prayers."

"Poppa!" blurts the Supreme Pontiff. "How'd you recognize me?"

"I know a straining slab of man when I see one," explains Amber, giving him the hungry once-over of a predatory pussy.

Amber's look, cravenly vulnerable and crudely innocent, strikes a chord within the heart and, more importantly, rings a chime within the testicles of Morton, Primate of Italy. *If I can't satisfy her*, he exults in blissful epiphany, *I'll just pray for a better bone.*

That settled, Morton clasps a palm on Amber's high, jutting butt shelf and steers her back toward his private prelate domain.

"If anyone asks, just tell them you're my niece, the scrubwoman," Morton commands. But no one at the Vatican asks who Amber is or what her business might be. The elaborately uniformed guardsmen draw back as Amber and the Pope pass.

Once she has him behind closed chambers, Amber flings her body up against the panting Pope. She grinds her pelvis against his swelling crotch, bringing him from half mast to stiff tumescence with a concerted twist of her milk-white thighs and a single probe of her serpentine

tongue between his face-sucking lips.

Her hands slip from him as she spots the fully assembled True Cross mounted above the headboard. As if entranced, she glides sinuously toward the twin beams, shedding first her red pumps, then slithering out of her red-sequined second skin.

"So, you're kinky," purrs Amber. Having discovered the Pope's primary fetish, Amber makes to fulfill it, climbing up onto the cross and draping her luscious wrists and elbows over its arms.

Pope Downey's gaze starts at the red-red toe polish and lingeringly lifts upward. The smooth shine of her shin is a novena of sin to him. He licks the inside of her knee, tongue prodding her tensed tendons, then moves along to savor succulent calves.

At her thighs he thinks he might have a heart attack, but the beckoning aroma of her heated honeypot wafts down to his quivering, snorting nose, and he decides to risk cardiac. Her pussy lips are every bit the pleasing flesh petals their sweet scent has promised. He slips his taste buds along her slit and circles her clit with all the pressure his mouth muscle can muster, then dives into her lubricating lust pit.

Amber likes it. Pope Morton cranes his neck to nuzzle around her butt ring and nose into her twat as the musky ass-crack essences invade his nostrils.

"You ain't seen nothing yet," he pontificates, full of papal bull. He spins Amber face forward on the cross, grabs his raging slab of rod in hand and climbs up to join her, two erotic icons supported upon a single pair of twisted sticks.

Amber clings as if to her life to the supporting beam as the Pope huffs and strains, every muscle tearing and popping as he stabs his sword within her silken scabbard.

The heart attack is a certainty now, but there is no turning back. Amber, he senses, is just on the verge of a rollicking orgasm, and he must be inside her for it, if it's the last act of his life.

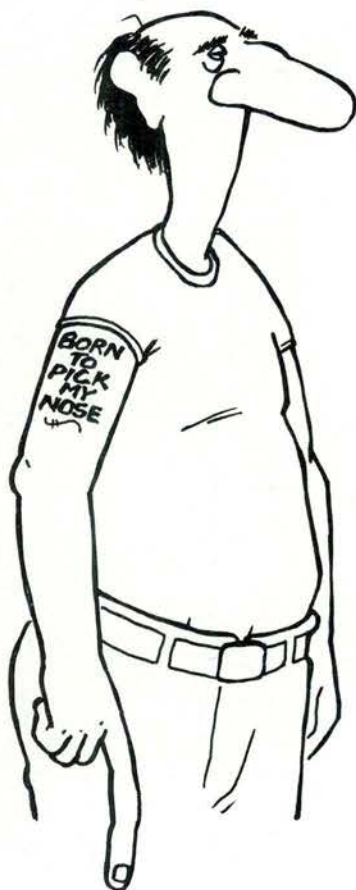

With his lungs searing and every fiber of his being screeching for release, the Pope commands, "Come now, you bitch. Come on my hot fucking cock."

As if accustomed to climax on command, Amber unleashes a torrent of belly-rippling, face-contorting, pussy-clenching spasms. She lets it all go, holding only onto the beam behind.

With her screams echoing in the fuck-void of his sex-vacuumed brain, the Pope blasts his peerless penis juices far up into her well of indulgence, spewing spunk he never dreamed he had.

Wrung dry, he collapses off the headboard and falls prone on the bed. The last thing in his consciousness before sinking

## Amber plugs the stunned, boner-popping sawbones into her Amazon cunt, and the man is lost inside.

into the sleep of exhaustion is the sight of Amber Lynn petulantly demanding where the rest of him is.

Pope Morton is too shaken by her seismic sexuality even to pray for God's strength to match it.

In the ensuing weeks, the prognosis for male-dominated society sinks from dire to worse. The men of Rome are shriveling up. As goes Rome, so goes the world. The news on the international TV verifies that the male race is wasting away wherever the female coexists.

In contrast, the Ambers thrive with a vengeance. Their busts swell, their hips expand, they walk taller. The enervated men follow the pheromone with ever-diminishing, quivering boners. When the size discrepancy between Ambers and males becomes just a bit more pronounced, men will have been reduced beyond pet status, to appetizers.

One man has yet to abandon all hope. Enconced in his Vatican citadel, buffered by an ever-depleted regiment of Swiss Guards, Pope Morton Downey Jr. speeds

toward desolation. Praying has no effect on these ever-expanding monster Lynns, nor does God grant any force or agency that might corral them.

The male race is finished, his Holiness concedes, but that's no reason why he, Pope Morton Downey Jr., need go down with the rest of penis-equipped humanity. *Perhaps I cannot live my life as a man,* reasons the Pope as he rouses his Swiss Guards to action, *but I'll live it nonetheless.*

Secreted in the back of an Amber-proof limo, the Vicar of Christ is rocketed at top speed to a heavily guarded chalet in Switzerland, a beautiful bunker surrounded by homosexual squadrons of the world's most fastidious mercenaries.

"They won't survive for long," mutters the Pope as he's rushed through the electrified concertina-wire gate. He's seen many a faggot succumb to the cunt command of a pack of imperious Amber Lynns. "Please, God, let the troops stand until my operation is completed."

Dr. Egon Scheil, the world's foremost master of the quick sex change, has the

Pope sliced, stuffed and sewn back up before the anesthetic has fully taken effect.

"How do you like it?" queries Egon, spinning the newly built Morton in front of a full-length mirror. "Nice tush you have there. Wouldn't mind a poke at it myself."

"Poor sap. You haven't got a chance of resisting the Ambers," spits Morton vehemently. He recognizes traces of himself in the mirror, particularly the cigar. The woman he sees there is definitely him, but he has a funny premonition that a change greater than gender is still taking place within him.

"Why resist?" slyly insists Egon. "Temptation is sweetest when succumbed to."

"You'll get your chance to succumb, buster," sneers the holiest man on Earth, pulling on a nun's habit. He's afraid of what the naked body of self might next show in the mirror.

A rumbling, gnashing sound seeps into the operating theater from the outside compound. The sound increases, nearing, and the doors fling open.

Three Amber Lynns, stunningly perfect even under extreme magnification, burst into the auditorium, each big enough to carry King Kong as a clutch purse.

One reaches across the expanses of medical equipment and plucks Dr. Scheil from where he stands. She plugs the stunned, boner-popping sawbones into her mega-Amazon cunt, and the man is lost inside.

Beneath the ascetic burlap of the Pope's hassock, his flesh is transmogrifying into a form that even the loose robes will not hide for long. He is becoming an Amber Lynn, just like all the other women.

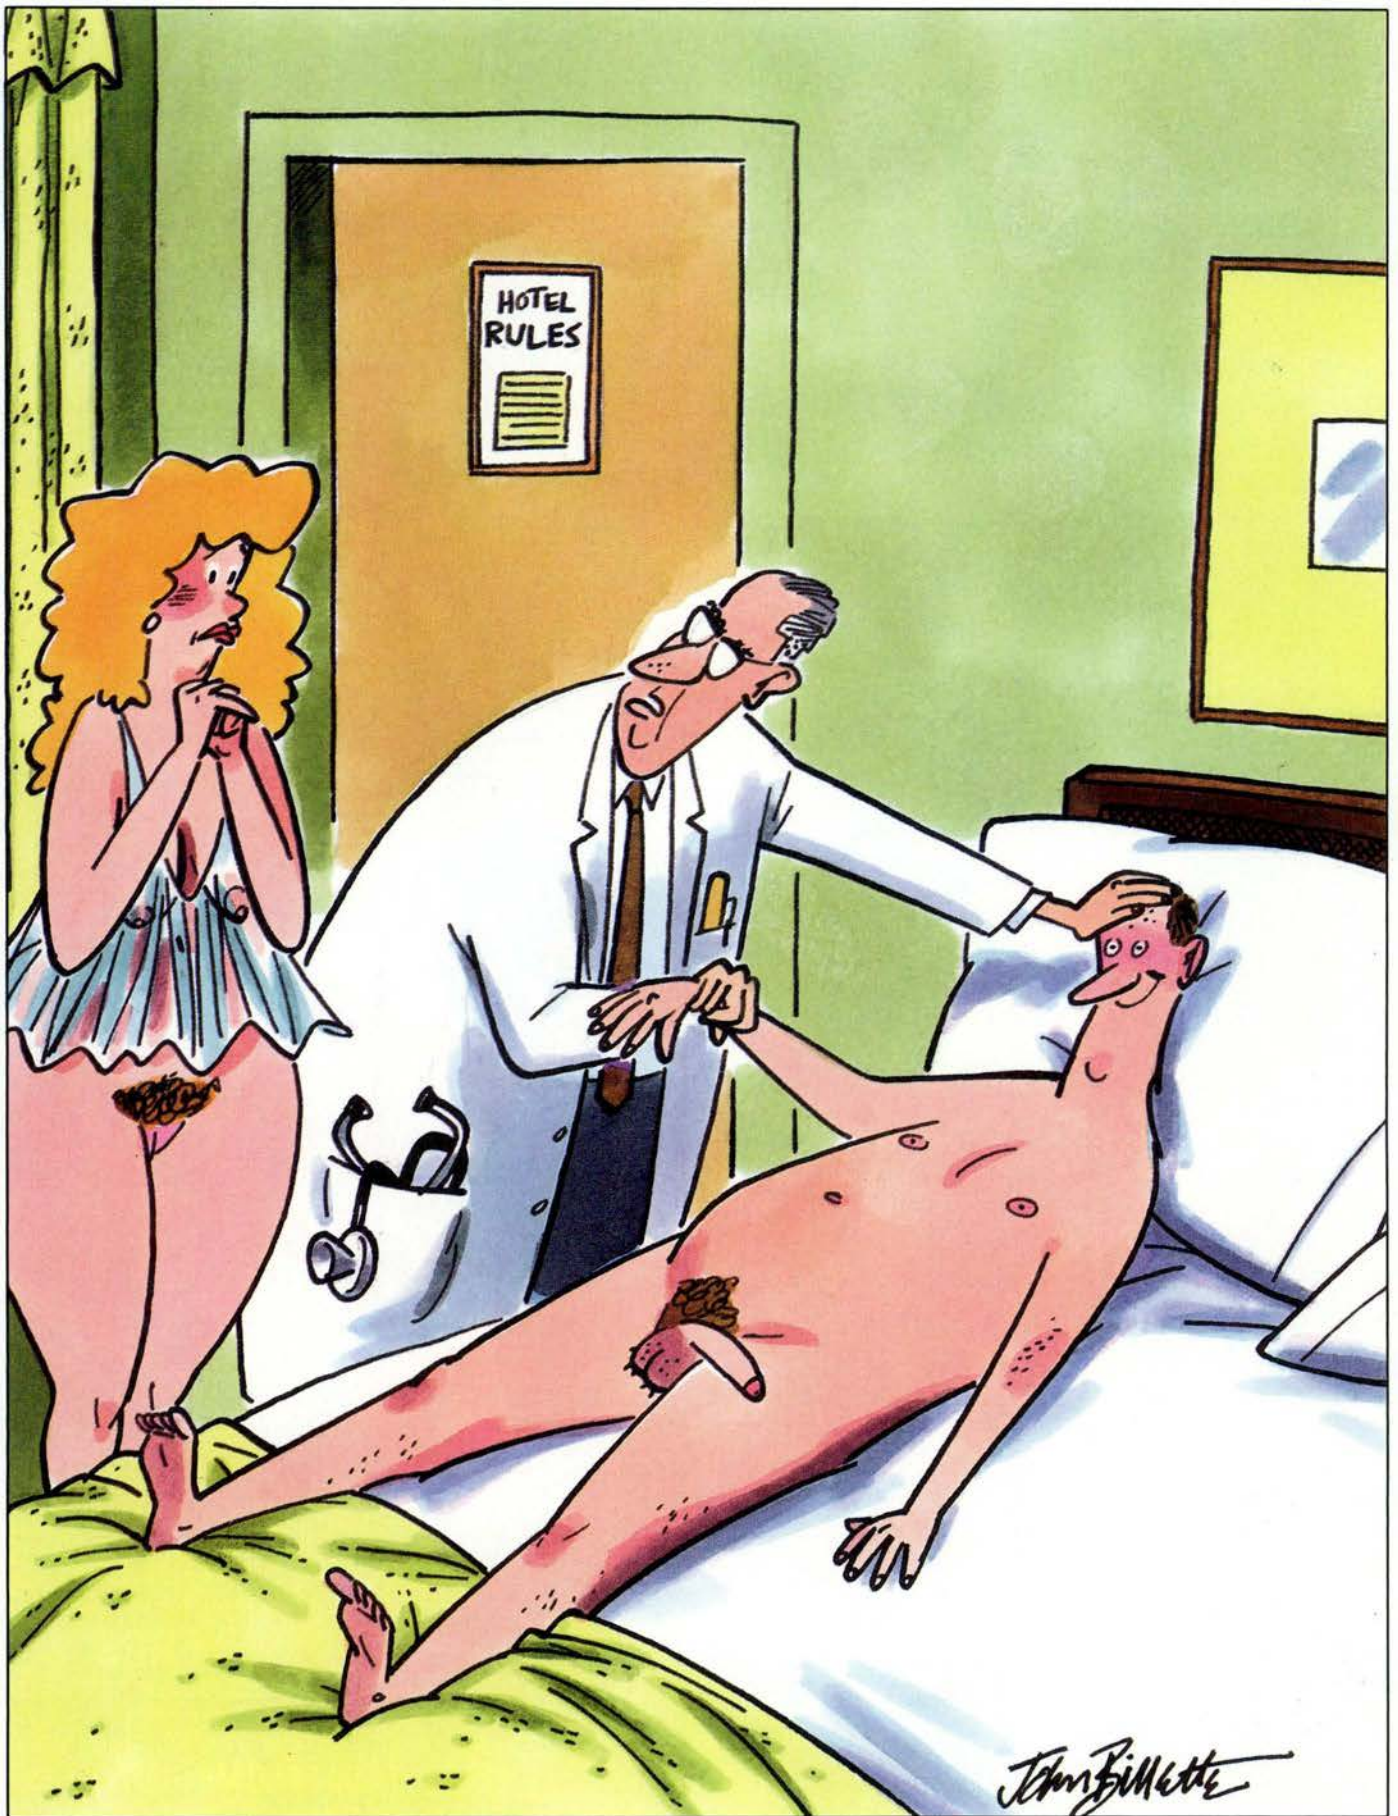

The three gargantuan Ambers clasp in a lock of tongues and labes, squirming triply scissor-thighed, humping as one toward a simultaneous orgasm on the floor. Their concerted climax shakes the building to its very foundation and melds the three giantesses into a single creation.

The Amber Lynn that rises supreme from the raunch rubble towers three times higher than her component selves. She blows the ceiling off the auditorium and turns her fierce regard upon Pope Morton Downey Jr., whose newly grafted secondary sex characteristics have burst the constraints of his habit, exposing a red-sequin-sheathed bombshell bod. He prepares to become one with the omniscient, omnipotent, ominous Amber Lynn, realizing that it is She he has been praying to all along.

"I am the One True Amber," she proclaims, with no one to contradict her, "the Amber Almighty, and I implore you: Buy my new video, coming out this year!" With some chagrin, Mort searches the massive Lynn for signs of Egon Scheil. Can anyone give him back his dick in time for the new Amber video? 

"The monkey just wasn't bringing in the bucks."

*"It's touch and go—he's lost a lot of cum."*

(continued from page 64)

"The little girl sustained other serious injuries as well," says a hospital spokesman.

According to medical reports, Laura Lynn was paralyzed on one side and blind in one eye, and she may have suffered brain damage.

Roger Lazarovich, following his arrest for mayhem, declined to discuss the incident with officials other than to say, "She pissed me off."

## OTHERS WHO WERE PISSED OFF

George and Melanie Ann Clarke, residents of Tampa, Florida, were arrested and indicted for first-degree murder after their five-year-old son died as a result of being caged in a room and fed nothing but bread and water for three months.

The Clarkes reportedly claim that they feel discipline and punishment are parental prerogatives.

One man was awarded a lengthy prison sentence, compliments of a New York superior court, after he had been found guilty of viciously beating his six-year-old daughter into a coma. Much to his dismay, prosecutors had opted for attempted murder in lieu of parental prerogative.

James Nix, a resident of the Bronx, was arrested and charged with child abuse after hospital officials contacted law-enforcement officials and reported that Nix's four-month-old son had sustained brain damage as a result of severe shaking.

Rothenberg, Tamayo, Dobben, Strianese, Grady, Lazarovich, Galdon, Clarke, McNutt, Nix . . . The list is literally endless, as is the abuse inflicted by fathers on American children.

Overwhelmed by a new generation of kids more abused than ever before, child-welfare workers claim that the United States has finally become the first society in history in which children live under a constant threat of attack by their fathers and—

## MAD MOMS

- Irene Bernstein, a mother in Broomall, Pennsylvania, was indicted for murder in connection with the killing of her two-year-old son, Eric.

- Mary Beth Tinning was sentenced to 20 years to life in prison after she had been convicted of murdering her 30-month-old daughter.

- Shelly Carter was charged with first-degree rape, sodomy and sexual abuse after being arrested for *restraining her six-year-old daughter while three adult men raped and sodomized the girl on separate occasions.*

# SEX CULTS

(continued from page 56)

regress. "DPFers develop their fetish as a way of holding on to their real selves. Being a baby means they can be all those things their parents never allowed them to be—submissive, soft and emotional."

According to Siegel, the Diaper Pail Fraternity numbers more than 1,000 active members. Benefits of membership include a roster listing of members, subscription to the DPF newsletter, access to baby stories ("My Girlfriend Discovered My Diapers and Made a Sissy Baby Out of Me"), videotapes, photos, the "Adult Infantilist World Resource Directory," car plates ("Big Baby on Board"), hypnotic and subliminal tapes ("Solo Baby—24-Hour Wetting," "Solo Baby With Complete Incontinence") and adult-size diapers and rubber pants.

Membership in DPF is divided among straights and gays. For the most part, the former seek mommies; the latter seek daddies. As far as the sexual component of infantilism goes, Tommy Siegel subscribes to Freud's theory of infantile eroticism. "Infants have erections and have pleasure being oiled and powdered. An interesting article in the paper the other day described a new form of child abuse in which the mothers become too involved with diapering and fondling their babies."

Though Tommy now wears diapers around the clock, he acknowledges that few members want to become 24-hour babies. "The typical DPFer will want this as an escape. In Japan, this is more accepted. They have salons in Tokyo where harried businessmen can go and be treated like a baby. It's a hell of a lot better than going to a bar and getting drunk, I think."

The number-one problem of big babies is finding a willing mommy. Those who do may often have children, and they are forced to go underground with their fetish. Tommy cautions mistaking infantilism with having a sexual urge for infants. "If you're into infantilism, you're into using diapers. Those who want to be babies may look at a baby and think, *That's cute. I'd like to feel like that. I'd like to look like that, waddle around like that.* Nothing more."

One of the events of the Diaper Pail Fraternity is called Baby Week, where members get together for an entire week to share mutual interests, pass around photos and get to know one another. Exults Tommy, "One time there was a lot of diaper changing because we went through cases of beer. There were dozens of garbage bags filled with wet diapers. I was hoping that the garbage men wouldn't break the bags and spill diapers all over the driveway."

# BEAVER HUNT

Photo by Friend

Blond Brit Vicki, a 24-year-old secretary from Croyden, England, likes aerobics and playing the trumpet. What boss wouldn't get up early in the morning to start the day sooner with Vicki? Her fantasy is to fuck a Yankee on the top of a double-decker English bus in rush-hour traffic. Any takers?

Indianapolis, Indiana, is home base for leggy 25-year-old Ericka, a dancer whose hobbies include bodybuilding, riding motorcycles and swimming. Her fantasy is to be fucked on a beach by a long-haired man, with the sand curling up between her toes and the wind blowing through her hair. Whichever way the wind blows, in a beach fuck with Ericka, it's bound to be hot!

Photo by Friend

Never fear—the fur is here! If there's a special critter in your life that would like to join the Hunt, snap a clear color picture of the precious pink and mail it to HUSTLER Beaver Hunt, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. If we print it, she'll get \$250 and a chance at an extended photo-feature worth \$5,000.

Finalists win \$1,500 each. Their photographers win \$250, and the photographer of the Grand Prize Winner gets \$500. Fill out the model release below, and include a photocopy of (1) a photo ID and (2) another form of ID. All photos become the nonreturnable property of HUSTLER Magazine.

## AMATEUR PHOTO CONTEST MODEL RELEASE/ENTRY FORM

To enter HUSTLER Beaver Hunt you must fill out and send this release and COPIES OF TWO FORMS OF ID, ONE WITH PHOTO (i.e., driver's license, passport, work or school ID card or photo ID issued by a state). Second ID can be a birth certificate, selective service card, baptismal certificate, Social Security card, credit card, marriage certificate or immigration card. Send photo copies, not originals. Send two or more sharply focused color prints or slides. Showing pink is optional at entry stage. All photos become the nonreturnable property of HUSTLER Magazine, which buys all rights in perpetuity to photos we publish. If we publish your photo, you'll win \$250 and a chance to be chosen for an extended pictorial worth \$5,000. Send photos, IDs and release to HUSTLER Beaver Hunt, 9171 Wilshire Blvd., Ste. 300, Beverly Hills, CA 90210.

Date

Rocky, 24, is a hot blonde from San Jose, California. A glass-sales representative, her hobbies include writing poetry and listening to rock 'n' roll. Her fantasies are posing for HUSTLER and fucking her husband and another guy while totally wet. Your first fantasy's fulfilled, Rocky—if you haven't gotten around to the other one, give us a call. But our shower's built for two; your husband will have to wait.

Photo by Husband

Toronto, Canada, has no bigger-titted housewife than 21-year-old Marie, who likes reading, movies and motorcycling. Marie's fantasy is to fuck her husband on his motorcycle in the Skydome. A show-stopping stunt like that is bound to raise the roof. With Marie at the helm, we guarantee her top billing.

# OVER HUNN

Photo by Boyfriend

A dental assistant who likes to camp, fly kites and ride her motorcycle, Stephanie, 22, from Culver City, California, is an expert at oral stimulation. Her fantasy is to be held down on a bed with her legs spread and licked raw. We can take it from there!

Photo by Friend

Debi is a 27-year-old manicurist from Anaheim, California. Her fantasies are to share in some fun, kinky sex with another woman and her old man, and to see herself in *HUSTLER*—in *Beaver Hunt* and in her own photo-spread! Consider the first half of your fantasy fulfilled, Debi. As for the rest, only time will tell.

Smart coeds know you can't learn everything from books. Marissa, 24, from Tampa, Florida, is a teacher who likes dancing and watching good movies more than banging erasers. Her fantasy is to be satisfied by two or more men. Judging by this shot, she's thinking of more men than two!

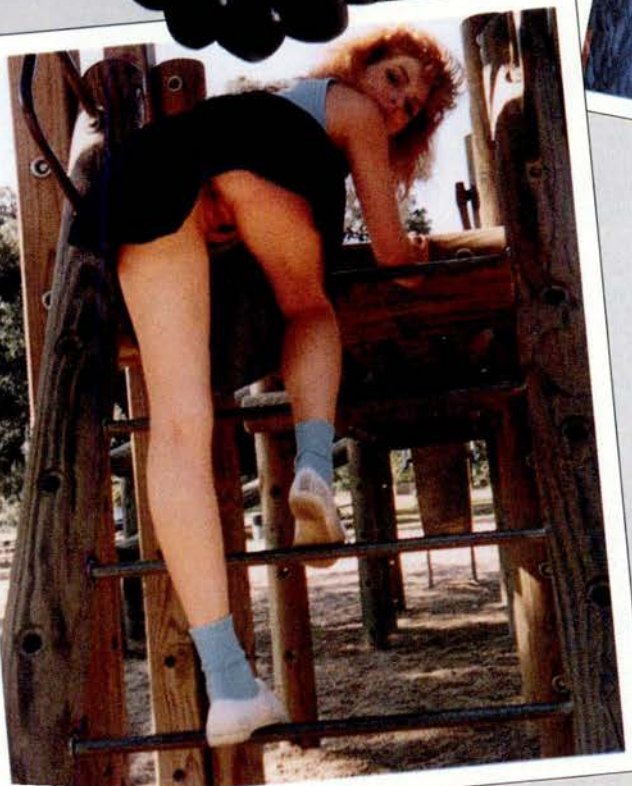

Photo by Husband

Photo by Husband

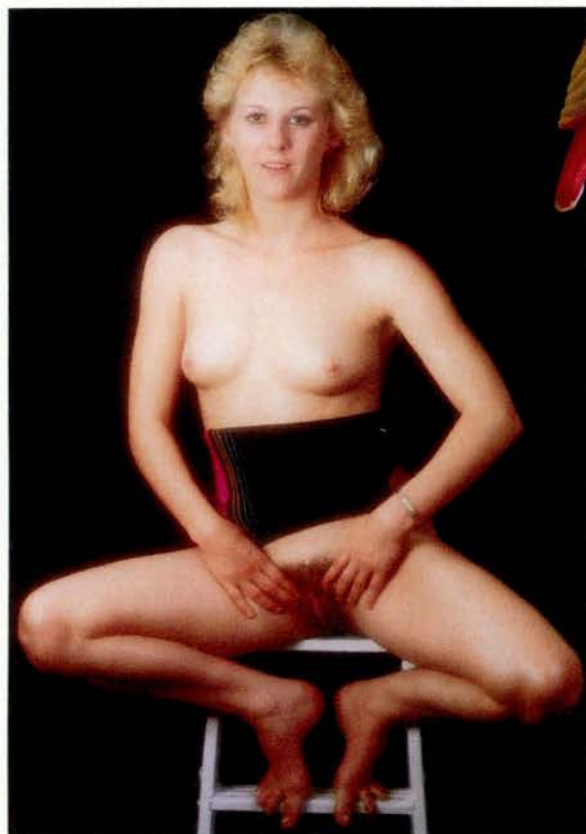

Shell, 26, is an ordinary housewife from Houston, Texas, who wants to be a *HUSTLER* centerfold. When she's not showing off at the playground, her hobbies include dancing and shopping. Although you'll have to show us a lot more than this to get us interested in a centerfold, we'll meet you at the playground anytime, Shell, and see what we can work out.

Does all the bar help in Arizona look this good? Randi Michelle, 21, is a former cocktail waitress from Tucson who lists her hobbies as aerobics, hiking and sunbathing. While she doesn't mention watersports, her fantasy is to make love with her boyfriend under a waterfall. Do they practice in the shower?

Photo by Friend

A barmaid from Normandy, Tennessee, Becky, 27, likes sex, horseback riding and sunbathing. Her only fantasy is to see herself in HUSTLER Magazine—but one fantasy leads to another, and we've got a new one now! Thanks, Becky.

# WER HUNG

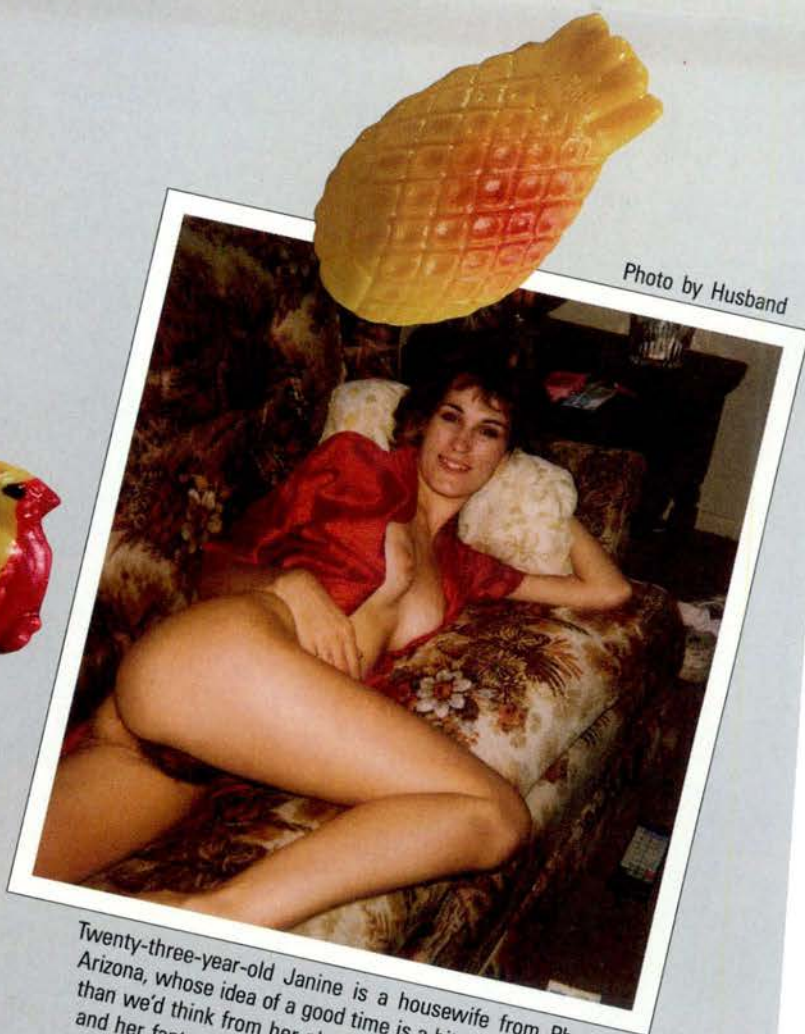

Photo by Husband

Twenty-three-year-old Janine is a housewife from Phoenix, Arizona, whose idea of a good time is a bit more complicated than we'd think from her photograph. Camping is her hobby, and her fantasy is to "dance at an all-nude bar one time to make my husband excited, then fucking someone else." Hmm, Janine, hope your hubby's mind is as open as yours.

Photo by Husband

Leather is a pretty kinky name for a 28-year-old bridal consultant, but it all makes sense when you know that she hails from Buffalo, New York. Her hobbies include camping, horseback riding and ceramics. Leather's hot fantasy is to see herself in a HUSTLER centerfold showing pink while riding a horse in the rain. Who's the lucky stallion?

Oakland, California, is the home of 19-year-old Michelle, a student who studies target practice, bowling and sailing in her spare time. We can only guess that whatever time is left over she spends thinking up nasty ways to make a good fuck better. Her fantasy is to fuck on any kind of moving vehicle—a plane, train, boat, etc. We suggest the back of a flatbed pickup truck at 90 mph.

Photo by Husband

Photo by Husband

Jackie, 20, of College Park, Georgia, lists her hobbies as shopping and public exhibitionism. Does this mean she leaves the dressing-room door open when she tries on sexy lingerie? If that's the dress rehearsal, we can't wait for the performance. Jackie says her fantasy is to participate in a "wild" sex orgy with her husband and several couples. We're waiting for an invitation.

## ADD 3 to 4 INCHES to Any Size Penis And We Guarantee It!

**Plus Add 30% to 40% in diameter!**

**BATTERY ENERGIZED! DOES THE JOB FOR YOU AND FEELS GOOD TOO!**

Our competition offers regular models (not powered) or electric models (uses electricity and may be dangerous) for up to \$40. Now with the original battery-powered Komet sex aid you can prosthetically add 3 to 4 inches to any size penis. All this without strenuous exercise or electricity. The Komet's state-of-the-art engineering produces a steady flow of energy to produce the desired results and pleasurable sensations.

**IF THE SIZE OF YOUR PENIS IS IMPORTANT TO YOU, THEN YOU OWE IT TO YOURSELF AND YOUR PARTNER TO ADD 3 OR 4 EXTRA INCHES!**

You have everything to gain and nothing to lose. Why use a non-powered unit or risk inserting your penis into an electric unit. (You know liquids, cremes and jells and electricity don't mix and can be dangerous.) Why take chances. We will replace any defective model for 1 year plus shipping and handling charges.

# A PENIS LENGTHENER THAT GUARANTEES YOU GAIN 2 TO 4 INCHES OR YOUR MONEY REFUNDED! compare the difference

BEFORE

AFTER

These photos show the ACORN PENIS LENGTHENER after it has done its job. Note the increase in diameter of 25%, and the dramatic increase of 52% in length - MORE THAN 3 FULL INCHES!

The APL is new, simple and the logical way to reach maximum dimensions in both length and width. Now you can discard the weights and vacuum devices. No more straps, fasteners, air sacks nor constricting bands. APL makes these obsolete. In no time at all - APL will prosthetically make your penis 2 to 4 inches longer. It will also thicken your penis as much as 25%. And, if this isn't enough - it will make you harder and firmer - which in turn can help you control premature ejaculation. APL is simple and easy to use and we guarantee it to work!

**GUARANTEE**  
You must gain at least 2 inches with APL or your money will be refunded.

## ENLARGE YOUR PENIS TO IT'S MAXIMUM! Have Erect Measurements of 9, 10, Even 12 Inches!

The **CROWN II** is the only **PENIS DEVELOPER** you will ever need!

Is the size of your penis bringing you down? Sure, the medical authorities say the size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of thousands of men who have proven that these is a way to **INCREASE PENIS SIZE AND THICKNESS!** The device is called the **CROWN II ELECTRIC VACUUM ENLARGER**. A safe and proven natural way to add inches to penis length and thickness. With the **CROWN II** you will see yourself grow to dimension you never thought possible.

### HOW CAN THE CROWN II ELECTRIC VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis.

Regular use of the **CROWN II** gently urges the caverns to expand... expand... expand. You'll see the astonishing results the first time you use your **CROWN II**. Your penis will grow inside the clear, picture window sleeve. Immediately you will see just how really BIG... how really FAT... how LONG... how HARD and STIFF your penis can get! And after regular sessions with the **CROWN II** you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

### THE CROWN II IS SIMPLY THE MOST POWERFUL ENLARGEMENT SYSTEM YOU CAN PURCHASE ANYWHERE! AT ANY PRICE!

This powerful, totally electric unit (U.L. approved) is equipped to plug into any wall outlet to give you continuous, even sucking power until you shut it off! Unlike noisy electric vacuum enlargers costing upwards of \$100 - the **CROWN II** is "quite as a whisper". This sophisticated instrument is by far

the state of the art in penis enhancing machinery. It has taken time, money and first class engineering to produce what many have called the "Rolls Royce" of vacuum enlargers. The **CROWN II** is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. If you are truly serious about penis enlargement - the **CROWN II** will do the job for you!

## HUSTLER

May HUSTLER on sale March 20, 1990

### FINGER PIES AND WHIPPED CREAM

May's HUSTLER serves just desserts, and you get seconds without even asking. Two sets of bare-assed girls drink sweet nectar from ravenous pussies. For a dish on the side, a big-nippled harlot stirs up a nasty bowl of oohs and ahs. Topping it off, a sunbaked nature girl with golden tits and long, long legs brings her glazed cherry to the biggest pile of whipped cream this side of any men's magazine. Flesh chefs, take note: HUSTLER knows how to cook.

### DOWN UP

HUSTLER compatriot Chas Beatty went down under for a firsthand look at the budding Aussie porn-flick scene and came back with two fistfuls. Unstoppable Chas dug out the best of Down Under Video, with the flesh marks to prove it. Ooze and Oz, and how.

### BAT CAVE-IN

When Michael Keaton asked Serina Robinson out on a date, how could he know she was a girl with more than one secret identity? Pud pullers know Serina as Rachel Ryan, Penny Morgan and Ingrid Elliot, porn-queen veteran. Big-screen hero Keaton, a/k/a Batman, dated anal queen Serina for years, but when Serina lost the battle to keep her identities secret, Michael left her dangling. See next month's HUSTLER for a fond look back at the Batman/Porn-Queen romance, including extensive photos of Serina's cunt cavity before and after the Duped Crusader came and went.

### RINGSIDE LOWDOWN

Professional wrestler Mike Soma is known by a number of stage names, and he's got stories to tell for every one of them. Now that he's quit the circuit, he spills the beans on a few well-kept secrets about razor cuts, underage groupies and job pressure.

### STOP IT SOME MORE

Does a perfect dominatrix exist in an imperfect world? Writer Angus MacLise chronicles his carnal quest for correction in *Cash Crops*, one man's search for the perfect dominatrix, a bittersweet story with a moral: The woman who spares the rod spoils the good time.

### ICE CREAM WITH THAT CAKE

*Sex Play* for May tackles sex addiction with Dr. R. Johanna at the wheel, driving with her tongue in cheek; *Hot Letters* busts out with more clit-crazy confessions of bump-banging nymphs and the hard-ons they straddle; *Beaver Hunt* continues its controversial look up the dresses of everyday women; and *Bits & Pieces* makes hard-core tickling a happy reality. All in HUSTLER in May.
